Dear Friend of Pharr:

As another year draws to a close, I am reminded of the many accomplishments and successes that our great City of Pharr has experienced, and of which we can all be proud. Our city continues to experience economic growth, our partnerships are flourishing, and our community is thriving. With a booming international port of entry, at the nexus of major transportation corridors, and with our city quickly emerging as a leader in the local, state, national and global arenas, it is clear to see that what happens in Pharr affects our entire region.

As Mayor, I proudly serve the community and residents of Pharr, and constantly seek ways to foster relationships with local, state, federal and international leaders, with our neighboring communities, with private businesses, and with our educational partners. We continue to make great strides in moving Pharr forward. We are able to do so as a result of our City leadership, our employees who carry out our directives, our commitment to our community and surrounding areas, and the great pride we have for Pharr, which is the foundation of every decision we make.

I am proud to announce that the City of Pharr will be hosting its inaugural State of the City address and luncheon on Thursday, January 19, 2017 from 11:00 a.m. to 1:00 p.m. at the Boggus Ford Events Center (3000 N. Cage in Pharr). More than 300 attendees are expected at the luncheon, where we will address the current state of our city and lay out our plans for the upcoming year. We will also showcase local talent, feature Pharr's history, present and future, and promote Pharr's quality of life.

As a current or potential partner of Pharr, we hope that you will consider helping make our event successful by contributing a sponsorship. Please see enclosed sponsor packet for more detailed information. All sponsors will be recognized at the State of the City Luncheon at their respective level of contribution.

On behalf of City of Pharr officials, employees and residents, we thank you for your support and look forward to seeing you in January!

Sincerely,
