Investment Report Summary
Comparison of Portfolio
Change in Market Value- 03
Weighted Average Maturity and Yield-04 Benchmarks and Depository Collateral-05

## City of Pharr, TX Investment Report Summary December 31st, 2021

COMPLIANCE
This report complies with the requirements of the Public Funds Investment Act as well as the City of Pharr's adopted investment policy. The City is in compliance with all provisions of the Public Funds Investment Act and the City of Pharr's investment policy. The City's investment portfolio includes activity in demand deposits, Certificates of Deposits and Investment Pools.

## LIQUIDITY

The greatest length of maturity for all of our investments is 347 days. The weighted average maturity including demand deposits is 5.91 day and 64.54 day without demand deposits. Both of these amounts are within legal and City requirements.

## CHANGE IN BOOK AND MARKET VALUE

The investment book value was roughly $\$ 165.04$ million and had increased by approximately $\$ 18.23$ million from the previous quarter. This increase is mainly due to the revenue bond proceeds recently issued for the Bridge DAP program Project of $\$ 22$ Million in October 2021.

## PORTFOLIO YIELD

The portfolio yield of $.19 \%$ was at the same level within the benchmark yields on the six month T-Bill and Average Federal Funds Rate, which were $0.08 \%$ and $0.19 \%$ respectively (per Federal Reserve website yield postings). The spread between the portfolio yield and the benchmark yield is mainly due to the depository's favorable interest rate. Safety and liquidity is a greater concern than yield.

INVESTMENT MATURITIES/PURCHASES
The attached schedules are also a part of this investment report.
