

PUBLIC NOTICE

Notice is hereby given that Election Code 31.122 requires the city secretary to keep their office open for at least three hours each day during regular office hours, on regular business days during the period running from the 50th day before election day until the 40th day after election day.

For purposes of Election Code 31.122, for an entity other than an ISD, "regular business day" means any weekday that is not considered a legal state or national holiday under Election Code 1.006.

Though City offices are closed in observance of the Good Friday holiday, in accordance with the Election Code, the Office of the City Clerk will be open three hours those days for election business. Please note that other routine services of the City Clerk, such as vital records and public information, will not be available during these limited holiday hours.
