Mobile Food Vendor Permit Application

PLEASE PRINT OR TYPE – INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED

This application packet must be filled out completely and turned in with a copy of proof of Texas sales and use tax permit and copy of current and valid identification card for owner and any applicable responsible parties. Application for a permit to operate does not guarantee that a permit will be granted. Permit approval is based upon the establishment or mobile food unit's compliance with state and local health requirements. **MOBILE UNITS MUST BE PRESENT TO ISSUE PERMIT.** The application fee is non-refundable. **PERMITS ARE NON-TRANSFERABLE.**

The price associated with the Mobile Food Vendor Permit will be \$50.00 for application and inspection and \$100.00 for Mobile Food Vendor Permit. A permit will be issued upon completion of application, payment of annual permit fee and approval of the construction and sanitation of the unit. Trucks and Concession Trailers must be inspected and permitted within 30 days prior to expiration each year. Drivers must present a valid Texas Driver's License and proof of valid vehicle liability insurance in order to be issued a mobile food vendor permit. For additional information on application deadlines and inspections contact the Health Division at 956-402-4211.

MOBILE FOOD VENDOR RESPONSIBILITIES

- 1. OPERATION:** All state and local rules and ordinances related to the mobile vending operation must be adhered to at all times.
- 2. NO HOME PREPARED FOOD MAY BE SERVED TO THE PUBLIC.**
- 3. THE USE OF EXTERNAL EQUIPMENT IS NOT ALLOWED:** All equipment MUST be contained within or on the mobile unit at all times and must be properly enclosed.
- 4. CENTRAL PREPARATION FACILITY (CPF) OR FOOD ESTABLISHMENT USE:** Report to your central preparation facility to service your unit. No open food preparation or handling may occur at the CPF unless the mobile vending permit owner holds a separate and valid Food Establishment permit at the CPF location. A CPF Log sheet documenting all CPF visits must be maintained on the mobile vending unit at all times for review at the request of the Health Division.
- 5. REFRIGERATION AND HEATING:** Unit must have adequate hot and cold food storage facilities to maintain food products at the required temperatures. Hot foods must be held at 135°F or above. Cold foods must be stored at 41°F or below.
- 6. THERMOMETER:** Metal stem dial thermometers with a range of 0-220°F and accurate to +/- 2°F must be provided on mobile food units on which food is prepared in order to monitor food temperatures. Locate additional thermometers in all refrigeration/cold-hold units.
- 7. LABELING:** All pre-packaged, self-service food items offered must be properly labeled in adherence with the Texas Food Establishment Rules requirements.
- 8. MOBILITY:** Units must maintain a state of mobile readiness at all times. The health authority may prohibit alteration, removal, attachments, placement or change in, under, or upon the mobile food establishment that would prevent or otherwise reduce ready mobility.
- 9. UTILITIES/WATER:** Permanent utilities (i.e. plumbing, gas, electrical, water) may not be attached to the unit at any time. At no time during operation is the mobile unit to be attached to a water hose or any other permanent water supply.
- 10. HOLDING TANKS:** Fresh and wastewater holding tanks must be properly sized, permanently installed on the unit and equipped with a valve to empty/fill the tanks from the exterior of the unit in a manner which prevents contamination of ground surfaces or mobile unit.
- 11. HOT AND COLD WATER:** Unrestricted units must maintain a safe and secure water supply. Hot and cold water must be available under pressure for immediate use to all sinks at all times of operation.
- 12. HANDWASHING:** Soap, single use towels and hot water must be supplied to hand sinks at all times.
- 13. CERTIFIED FOOD MANAGER / FOOD HANDLER:** Unrestricted units must post and maintain at least one (1) employee's original and valid City of Pharr Food Manager Certificate on unit at all times. All other employees must be registered as Food Handlers with the City of Pharr Health Division. A verification list of all employees Food Manager and Food Handler credentials must be submitted at time of permit renewal.

I have read and understand the items of responsibility listed above, and I agree to comply with all of the requirements. I further understand that observed violations of these requirements may result in permit suspension and/or legal charges being filed.

Central Preparation Facility Permission for Use Verification Form

This form serves to verify that the owner of the Central Preparation Facility (CPF) submitted for use has granted permission to the mobile vendor to utilize the CPF. By providing approval of use for the CPF the owner/operator agrees to provide the following criteria which are required to be utilized as a CPF with the City of Pharr Mobile Food Vendor Program:

- Maintain a current and valid food establishment permit.
- Provide adequate and approved waste disposal facilities for handling waste water disposal, oil/grease disposal, trash disposal, and all other necessary waste disposal.
- Provide an approved sanitary process for providing fresh water to mobile units.
- Allow the mobile vendor to bring the unit to the establishment for servicing as needed.
- Provide sanitary food storage facilities for dry goods and items requiring temperature control.
- Allow foods to be held/stored overnight at CPF under approved sanitary conditions.
- Provide storage for equipment and supplies used by mobile vendor while not on mobile unit.

Mobile vendors utilizing this CPF may not engage in any food preparation at the facility unless the mobile vendor holds an individual Food Establishment Permit for this location (see "O" of requirements).

The CPF owner must provide a valid Food Manufacturer's license issued by the Texas Department of State Health Services if the CPF owner provides any potentially-hazardous-foods to a mobile vendor for sale or dispersal from the mobile unit. This criterion does not apply to mobile vendors who are employees of the CPF operating under the CPF owner's mobile vending permit.

MOBILE FOOD TRUCKS & CONCESSION TRAILERS

Mobile Food Truck is defined as a self-contained food service operation, located in a readily movable motorized wheeled vehicle, used to store, prepare, display or serve food intended for individual portion service.

Concession Trailer is defined by which is pulled by a motorized unit and has no power to move on its own which is used to store, prepare, display or serve food intended for individual portion service.

DESIGN REQUIREMENTS

- (A) Floors of the food truck or concession trailer must be durable non-absorbent, easily cleanable material, including, but not limited to, anodized aluminum, stainless steel, or tile. All junctures must be properly sealed. All service lines and pipes must be installed off the floor to allow for easy cleaning.
- (B) Walls must be durable, easily cleanable, non-absorbent and light in color. Minimum wall materials include, but are not limited to aluminum or fiberglass reinforced plastic (FRP). Walls at vent hood and grill areas must be covered with stainless steel or aluminum panels. Wall covering must be installed to cover the entire height of each wall. Stud and utility lines may not be unnecessarily exposed on the wall or prevent cleaning.
- (C) Ceilings must be light in color, non-absorbent, and easily cleanable. Joints and rafters may not be exposed.
- (D) The cab of the vehicle must be physically separated from the food preparation area, with seats designated for the cook and any passengers located outside of the food preparation area.
- (E) An extinguishing vent hood, Type 1 or other if approved by the City of Pharr Fire Marshal, shall be required when cooking process produces grease laden particles within the Mobile Unit. Said hood shall require testing in the presence of a City of Pharr Fire Marshal designee.
- (F) Hand washing lavatories shall be located convenient to all food preparation and utensil washing areas. Each lavatory must be provided with hot and cold water under pressure with at least 15 seconds flow of water without reactivation. Soap and sanitary towels must be available at each hand sink.
- (G) Liquid waste connection is of different size than water connection. Potable water inlet is equipped with transition connections of type and size to prevent its use for other service.
- (H) The potable water tank must be permanently installed and of sufficient capacity for food preparation, dishwashing and general cleaning.

- (I) The retention tank must be permanently installed and of at least 15% larger capacity than the potable water supply tank. Potable water tanks must be located to prevent contamination from the wastewater retention tank or other sources of contamination.
- (J) A three (3) compartment sink with a minimum of 110° degree water shall be provided for washing, rinsing, and sanitizing of utensils and equipment during food preparation on the vehicle. The sinks must be provided with hot and cold water under pressure and be equipped with drain boards. Large equipment and utensils may be washed in the three compartment sink provided at the commissary. A minimum of 6 gallons of hot water or on demand water heater is required.
- (K) Enough refrigeration and hot food holding units must be provided to maintain the required temperature of potentially hazardous foods. Units should meet standards for commercial use such as NSF and UL standards or equivalent. Numerically scaled thermometers must be provided for each unit. Ice used for drinks located in a drink holding well must be drained into a liquid waste retention tank to be disposed of at the designated commissary. Cold hold is 41 degrees or less and Hot hold is 135 degrees or more.
- (L) Food and single service articles must be properly protected and stored at least six inches above the floor.
- (M) Adequate lighting must be provided and properly shielded.
- (N) Outer opening including pop-up vents and sunroof must be insect and rodent proof. Screens must be tight fitting and in good repair. (Duct tape is not acceptable). Service windows must be properly protected with screening of a size no larger than 16 mesh to the inch; must be tight fitting and free of breaks. The windows must be kept closed when not in service.
- (O) The vehicle must be clean, inside and out, painted, and in good condition. Only one servicing window is allowed on the curbside of the vehicle.

OPERATIONAL REQUIREMENTS

The following regulations shall apply to Mobile Food Vendors within any zoning district:

- (A) Each unit shall be equipped with a portable trash receptacle, and shall be responsible for proper disposal of solid waste and waste water in the sanitation facility legally accessed by the Food Service Establishment. All disturbed areas must be cleaned following each stop at a minimum of twenty (20) feet of the sales location.
- (B) The use of mechanical loudspeakers or sound amplifiers on trucks or other moving vehicles for the purpose of advertising any show, sale or display of merchandise is prohibited. Vehicles will not be permitted with a sound generating device attached.
- (C) A five-foot (5) clear space will be maintained around the Mobile Food Vending Unit while on a public street and fifteen (15) feet within private property.
- (D) The Mobile Vending Unit will be subject to inspection upon permit application through the Department of Development Services and the Fire Marshal, and may be subject to random inspections and upon reissuance of the permit.
- (E) No sales are allowed within public park facilities.
- (F) A “No Smoking” sign must be posted next to the order window or area.

- (G) A tagged fire extinguisher type “K” shall be kept accessible as directed by the City Fire Marshal or designee.
- (H) Mobile Food Vendors shall be located on private property, within the parking area and within fifty (50) feet of an existing, permanent business operating in a building with a current certificate of occupancy.
- (I) Mobile Food Vendors shall provide the City with a copy of written permission from the property owner on an annual basis to allow the operation of a mobile vendor and to allow the mobile vendor and their customers’ access to a commercially plumbed public restroom on-site. This public restroom shall be located within 100 feet of the Mobile Food Unit.
- (J) Temporary connections to potable water are prohibited. Water shall be from an internal tank, and electricity shall be from a generator.
- (K) Mobile Food Vendors shall be setback a minimum of thirty (30) feet from a major thoroughfare if parked on private property, as identified on the City’s Thoroughfare Plan.
- (L) Mobile Food Vendors may operate only during the business hours of the primary business on the property.
- (M) A drive through is not permitted in conjunction with the Mobile Food Vendor.
- (N) No cooking may be done while the unit is in motion.
- (O) Only fast cooked food items may be prepared on the unit.
- (P) An itinerary must be provided for each truck prior to the first working day of each month. The Health Division must be advised of any changes immediately. Schedules must be accurate to within 30 minutes. A description of the food to be sold or served at each premise must accompany the itinerary.
- (Q) All operators of Mobile Food Trucks and Concession Trailers must have a current driver’s license issued by the State of Texas, proof of vehicle liability insurance and proof of general liability insurance for the business.
- (R) The person in charge must have a current Food Protection Manager Certification recognized by the Texas Department of Health. All other operators must have a current Food Handlers Permit.
- (S) Adequate hair restraints are required in the food prep area.
- (T) Eating, drinking, chewing gum or the use of any tobacco product is prohibited in the food preparation/service area.
- (U) Foods, food containers, and single service items are to be covered and stored in a way to prevent contamination.
- (V) Open, unprotected displays of foods are not allowed.
- (W) All mobile units must be returned to commissary or food establishment daily for cleaning.
- (X) The vehicle must have firm name on both sides of the vehicle in 3” letters and permit number on the front bottom right hand side window within 24 hours of the permitting inspection.
- (Y) A commissary or food establishment is required for a Mobile Food Vendor to operate in the City of Pharr.

- (Z) The vehicle must be returned to the commissary daily for servicing and loading of food products.

ZONING AND LOCATION RESTRICTIONS

(1) Distance Regulations

- (A) No Mobile Food Vendor shall conduct business within any single-family residential or agricultural district unless otherwise approved in writing by the Health Coordinator.
