Dear Prospective Candidate:

Thank you for your consideration to offer your services to the citizens of the City of Pharr by becoming a candidate for the upcoming general municipal election. To inform you of important dates and legal requirements of the State and City pertaining to elections, I have prepared the attached "Candidate's Packet" relative to the May 3, 2025 General Municipal Election. A "Summary of Exhibits" is attached to provide some insight on the documents included in this packet.

With respect to election forms, please be aware that Section 254.036 of the Election Code requires that all forms regarding **financial reporting be written in black ink or typed with black typewriter ribbon** unless the report is a computer printout. If the report is a computer printout, the printout must conform to the same format and paper size as the form prescribed by the commission.

Title 15 of the Texas Election Code pertains to campaign expenditures. A candidate should first designate a Campaign Treasurer and thereafter, ensure that Financial Reports be completed by the Candidate's Campaign Treasurer, signed by the Candidate, and filed in my office in a timely manner as prescribed by the State. The duties of the City Clerk are limited to accepting and filing the various forms, affidavits, and statements, and noting the date of filings thereon. Please note that Campaign Reports and other forms submitted by candidates are considered open records and will be available for reporters and opponents alike with a proper Public Information Request through my office. Should you have specific questions regarding reporting procedures, contributions, or expenditures, please contact the Texas Ethics Commission directly at (512) 463-5800 or 1(800) 325-8506 and/or visit their website: www.ethics.state.tx.us.

The City Clerk's office is open to help you. Your interest in municipal government is appreciated, and I trust that this will be a positive and exciting experience for you and your supporters. - (d) All territory annexed to the City of Pharr under the provisions of this Section shall become and be thereafter liable for all just and legal indebtedness of the city, without reference to when such debts were contracted, and the Board of Commissioners shall have the power to provide for the assessment and collection of taxes upon all property within such annexed territory to meet any such indebtedness, on the same basis as other property in the city.

The Board of Commissioners shall determine, at the time of the exclusion of said area from the City, what unpaid debts of the City said excluded territory is liable for, and shall determine the pro rata part of said indebtedness which shall be that portion thereof that the assessed valuation of property in the excluded area bears to the total assessed valuation of property in the City as a whole, according to the latest assessment roll of the City, and the property in said excluded area shall remain subject to annual taxation by the City for the payment of the pro rata part of said indebtedness for which the property in said excluded area is liable, determined as herein provided, until the entire amount of such pro rata part of said indebtedness shall have been paid. Sec. 6. Extensions.

All extensions of public utilities within the city limits shall become a part of the aggregate property of the public utility, shall be operated as such, and shall be subject to all the obligations and reserved rights contained in this Charter and in any original grant hereafter made. The right to use and maintain any extension shall terminate with the original grant and shall be terminable as provided in Section 4 [of this article]. In case of an extension of public utility operated under a franchise hereafter granted, such right shall be terminable at the same time and under the same conditions as the original grant.

Sec. 7. Other conditions.

All franchises heretofore granted are recognized as contracts between the City of Pharr and the grantee, and the contractual rights as contained in any such franchise shall not be impaired by the provisions of this Charter, except that the power of the City of Pharr to exercise the right of eminent domain in the acquisition of any utility property is in all things reserved, and except the general power of the city heretofore existing and provided for to regulate the rates and services of a grantee which shall include the right to require proper and adequate extension of plant and service and the maintenance of the plant and fixtures at the highest reasonable standard of efficiency. Every public utility franchise hereafter granted shall be held subject to all terms and conditions contained in the various sections of this article whether or not such terms are specifically mentioned in the franchise. Nothing in this Charter

Sec. 9. Accounts of municipally owned utilities.

Accounts shall be kept for each public utility owned or operated by the city, in such manner as to show the true and complete financial results of such city ownership and operation, including all assets, appropriately subdivided into different classes, all liabilities subdivided by classes, depreciation reserve, other reserves, and surplus; also revenues, operating expenses including depreciation, interest payments, rental and other disposition of annual income. The accounts shall show the actual capital cost to the city of each public utility owned, also the cost of all extensions, additions and improvements, and the source of the funds expended for such capital purposes. They shall show as nearly as possible the cost of any service furnished to or rendered by any such utility to any other city or governmental department. The Board of Commissioners shall annually cause to be made and published a report showing the financial results of such city ownership and operation, giving the information specified in this section or such data as the Board of Commissioners shall deem expedient. This section, however, shall not apply to a city-owned utility under the management and control of an independent board.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER

State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN

If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;

- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT

The appropriate filing authority depends on the office sought or held.

a. Texas Ethics Commission. The Texas Ethics Commission (Commission) is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:

- Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
- State Senator or State Representative.
- Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*

- State Board of Education.
- A multi-county district judge* or multi-county district attorney.
- A single-county district judge.*
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
- A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
- A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

b. County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

c. Local Filing Authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY

If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment and a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority; use Form CTA-T for this purpose.

FORMING A POLITICAL COMMITTEE

As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: *See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.*

CHANGING A CAMPAIGN TREASURER

If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT

If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS

If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES

All candidates should review the applicable Commission’s campaign finance guide. Guides are available on the Commission’s website at <http://www.ethics.state.tx.us>.

9. **CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer, including the area code and extension, if applicable.
10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
 - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by

consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

11. CANDIDATE NAME: Enter your name as you did on Page 1.

12. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$1,080 in political contributions or make more than \$1,080 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$1,080 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$1,080 maximums apply to each election within the cycle. In other words, you are limited to \$1,080 in contributions and expenditures in connection with the primary, an additional \$1,080 in contributions and expenditures in connection with the general election, and an additional \$1,080 in contributions and expenditures in connection with a runoff.

EXCEEDING \$1,080 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$1,080 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$1,080 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Commission's campaign finance guide that applies to you.

Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

Note: The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

PAGE 2

13. CANDIDATE NAME: Enter your name as you did on Page 1, Section 1.

14. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$1,080 in political contributions or make more than \$1,080 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$1,080 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports, or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$1,080 maximums apply to each election within the cycle. In other words, you are limited to \$1,080 in contributions and expenditures in connection with the primary, an additional \$1,080 in contributions and expenditures in connection with the general election, and an additional \$1,080 in contributions and expenditures in connection with a runoff.

Exceeding \$1,080 in contributions or expenditures. If you exceed \$1,080 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$1,080 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

For more information, see the Commission's campaign finance guide that applies to you.

GENERAL INSTRUCTIONS

These general instructions apply to all C/OH forms required to be filed under title 15, Texas Election Code, for activity that occurs on or after January 1, 2024. For a report that includes activity occurring before January 1, 2024, you must use the instructions applicable before that time, which are available on the Texas Ethics Commission's website at <https://www.ethics.state.tx.us/forms/coh/cohfrm.php>.

IMPORTANT UPDATES

Increased Disclosure Thresholds

On January 1, 2020, the Texas Ethics Commission began adjusting certain reporting thresholds to account for inflation. As directed by section 571.064 of the Texas Government Code, the Commission is required to annually adjust these thresholds upward to the nearest multiple of \$10 in accordance with the percentage increase for the previous year in the Consumer Price Index for Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor. Accordingly, one or more thresholds will generally be adjusted each year, depending upon the figures in the index.

These changes will be made effective January 1st of each calendar year; the affected numbers and corresponding new thresholds are located in 1 T.A.C. §18.31, which can be found here: <https://www.ethics.state.tx.us/rules/>. The higher itemization thresholds will be reflected on the paper forms and in these instructions, as applicable.

Verify that you are using the correct thresholds and forms that apply to your filing. For example, if you are filing a campaign finance report or lobby activities report that is due in January of 2021, you must use the forms and instructions that are applicable to the period ending December 31, 2020.

Contributions Made Electronically Must Be Itemized

Beginning on September 1, 2019, all political contributions that are made electronically and accepted by a filer during the reporting period must be itemized in the filer's campaign finance report. This change is made by House Bill 2586, adopted by the 86th Texas Legislature.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission (Commission) are required to file those reports electronically unless the person is eligible to claim an exemption. Check the Commission's website at <https://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, print everything other than your signature.

If you are filing with the Commission, and you are eligible to claim an exemption to electronic filing, ***you may use your own computer-generated form*** if it provides for disclosure of all the information required on the Commission's form and it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the Commission's prescribed form must be submitted for pre-approval by the Commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, call our office at (512) 463-5800.

TEXAS ETHICS COMMISSION GUIDES

The Commission publishes a Campaign Finance Guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The Commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Commission forms. For example, if the space provided on Schedule A1 is insufficient, you may make copies of a blank Schedule A1 form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports: A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Commission, address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the Commission's street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T. A complete Final Report must also include Form C/OH-FR.

Note: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded Modified Reporting Limit report
- 15th day after officeholder campaign treasurer appointment
- Final Report

See the instructions for sections 9 and 10 of the Cover Sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate's campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with which you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a Final Report of contributions and expenditures. A Final Report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports *as a candidate*. If you are an officeholder at the time of filing a Final Report, you may be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

You are required to file a report of unexpended contributions (using Form C/OH-UC) if *all* of the following apply to you: you are not a current officeholder, you have filed a final report, and you retain political contributions. Officeholders who leave office, no longer have a treasurer appointment on file, file a final report, and still retain political contributions will also owe this report. See Instructions for Form C/OH-UC for further information. To file a Final Report, you must complete the “C/OH CAMPAIGN FINANCE REPORT” (Form C/OH), check the “final” box in section 9 on the Cover Sheet, and complete and attach the “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH- FR).

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

January 15 (Semiannual) Report: All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

All candidates and officeholders who file with the Commission must file this report by midnight Central Time on the January 15 report due date. All candidates and officeholders who file locally must file this report by 5 p.m. on the January 15 report due date.

Note: Anyone who has a campaign treasurer appointment (Form CTA) on file must file semiannual reports, even after an election has ended and even if the filer lost the election. To end this semiannual filing requirement, the filer must cease campaign activity and file a Final Report. (See “Final Report” below for more information.)

July 15 (Semiannual) Report: All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, *and* who do not exceed \$1,080 in contributions or expenditures during the reporting period.

See “January 15 Report” above for more information on filing requirements and deadlines for semiannual reports.

30th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting, but then exceeded a threshold before the 30th day before the election, the candidate must file this report.

The report is due no later than 30 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

You are an "opposed" candidate if you have an opponent, including a minor party candidate, whose name is printed on the ballot. If your only opposition is a write-in candidate, you are not considered opposed for filing purposes. If you are a write-in candidate, you are an "opposed" candidate subject to the reporting requirements if you accept political contributions or make political expenditures. Candidates who are unopposed in an election are not required to file pre-election reports for that election.

8th Day Before Election Report: Opposed candidates in an election who did not choose the modified reporting schedule must file this pre-election report. If an opposed candidate chose modified reporting but then exceeded a threshold before the 8th day before the election, the candidate must file this report.

The report is due no later than 8 days before the election. For all candidates and officeholders who file with the Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Runoff Report: Opposed candidates who are participating in a runoff election and who did not choose the modified reporting schedule must file this runoff report. The report is due no later than 8 days before the runoff election. For all candidates and officeholders who file with Commission, this report must be received by the Commission no later than midnight Central Time on the report due date. For all candidates and officeholders who file locally, this report must be received by the filing authority no later than 5 p.m. on the report due date.

See “30th Day Before Election Report” above for the definition of an opposed candidate.

Exceeded Modified Reporting Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded \$1,080 in contributions or \$1,080 in expenditures in connection with the election must file this Exceeded Modified Reporting Limit report within 48 hours after exceeding the \$1,080 limit. The candidate must meet this deadline even if it falls on a weekend or a holiday.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment (Form CTA) on file. For all officeholders who file with Commission, this report is due no later than midnight Central Time on the 15th day after an officeholder files Form CTA with the Commission. For all officeholders who file locally, this report is due no later than 5 p.m. on the 15th day after an officeholder files Form CTA with the filing authority. It is not required of officeholders who are merely changing their campaign treasurer. It is not required of an officeholder who files locally if the officeholder did not exceed \$1,080 in either contributions or expenditures during the period covered by the report. Candidates who are not officeholders do not file this report.

Final Report: A person who has a campaign treasurer appointment on file may file this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. There is not a fixed deadline for this report. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

A candidate must have a CTA on file to accept campaign contributions or make campaign expenditures, including contributions intended to offset campaign debts or expenditures made to pay campaign debts. A candidate who intends to continue campaign activity should not file a Final Report.

A Final Report terminates a candidate’s CTA and relieves the candidate from any additional filing obligations as a candidate. Officeholders who file a Final Report will still be subject to the filing requirements applicable to officeholders. A person who is not an officeholder but who has surplus political funds or assets after filing a Final Report will be required to file annual Unexpended Contribution reports. (See “Form C/OH-FR: Designation of Final Report” for more information.) A candidate or officeholder who does not have a CTA on file may still be required to file a personal financial statement (PFS).

Filing a Final Report does not relieve a candidate of responsibility for any delinquent reports or outstanding civil penalties.

Daily Pre-Election Report of Contributions: A candidate or officeholder who files with the Commission may be required to file daily pre-election reports disclosing contributions during the period beginning the 9th day before an election and ending at 12 noon on the day before the election. This information is disclosed on Form Daily-C C/OH. For more information, see the instructions for Form Daily-C C/OH.

Legislative Special Session Report: All statewide candidates and officeholders and members of and candidates for the legislature who accept a political contribution during the period beginning on the date the governor signs the proclamation calling a special legislative session and continuing through the date of final adjournment are required to file a report after a special session of the legislature. This information can be disclosed on Form C/OH-SS. For more information, see the instructions for Form C/OH-SS.

10. PERIOD COVERED: A reporting period includes the start date and the end date. The *due date* for filing will generally be *after* the end of the reporting period. Generally, a report picks up where the last report left off, and there should be no gaps or overlapping periods. The exceptions are Daily Pre-election reports, which do create overlaps because you are required to report the activity twice.

First Reports: If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment (Form CTA) was filed or the date you took office.

- If you are a candidate (a person who has filed a Form CTA) and you are filing your first report, the start date will be the date your Form CTA was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a Form CTA on file at the time of the appointment, the start date for your first report will be the date you took office.

January 15th (Semiannual) Report: The start date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, see the “First Reports” section above. The end date is December 31 of the previous year.

July 15th (Semiannual) Report: The start date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, see the “First Reports” section above. The end date is June 30.

30th Day Before Election Report: The start date is the day after the last day covered by your last required report. If this is the first report you have filed, see the “First Reports” section above. The end date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

8th Day Before Election Report: The start date is the 39th day before the election if you filed a 30th Day Before Election Report. If you did not file the 30th Day Before Election Report, the day after the last day covered by your last required report is the start date. If this is the first report you have filed, see the “First Reports” section above. The end date is

the 10th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

Runoff Report: The start date is the 9th day before the main election if you filed an 8th Day Before Election Report. Otherwise, the start date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The end date is the 10th day before the runoff election. This report is not required for candidates who are filing under the modified reporting schedule.

Exceeded Modified Reporting Limit Report: The start date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The end date is the day you exceeded the \$1,080 limit for contributions or expenditures.

15th Day After Campaign Treasurer Appointment Report (Officeholders Only): The start date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The end date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

Final Report: The start date is the day after the last day covered by your last required report. The end date is the day the final report is filed.

If you are an officeholder without a campaign treasurer appointment on file, or if you have a campaign treasurer appointment on file but you are not a candidate in an upcoming election and were not a candidate in a recent election, you may skip Section 11.

The political committee is required to include in the notice the full name and address of the committee, the full name and address of the committee’s campaign treasurer, and a statement indicating whether the committee is a general-purpose committee or a specific-purpose committee. 16. FILER ID: See instructions for Cover Sheet, page 1, section 1.

17. TOTALS: Complete this section only after you have completed all applicable schedules.

Line 1- Total Unitemized Political Contributions: Enter the total of all unitemized contributions (other than pledges, loans, guarantees of loans, or contributions made electronically) of \$110 or less. Do not include any contributions itemized on Schedules A1 or A2 or any contributions made electronically. Enter a “0” if you did not receive any unitemized contributions during the period covered.

On Schedules A1 and A2, you are required to itemize political contributions that totaled more than \$110 from one person during the reporting period and any political contribution that is made electronically. (Remember: If the committee received contributions *totaling* more than \$110 from one person during the reporting period, you are required to itemize all of those contributions, even if individual contributions were \$110 or less.) You may also itemize contributions of \$110 or less from one person. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Line 2- Total Political Contributions: Add the total contributions listed on Schedules A1 and A2 to the amount you entered on line 1. Enter that total on line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3- Total Unitemized Political Expenditures: Enter the total of all unitemized political expenditures of \$220 or less. Do not include any expenditures itemized on Schedules F1, F2, F3, F4, G, or H. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F1, you are required to itemize political expenditures that totaled more than \$220 to one payee. (Remember: If the committee made expenditures *totaling* more than \$220 to one person during the reporting period, you are required to itemize all of those expenditures, even if individual expenditures were \$220 or less.) You may also itemize expenditures totaling \$220 or less to one payee. Do not include any expenditures itemized on Schedule F1 in the total entered on line 3, regardless of amount.

On Schedule F2, you are required to itemize incurred but not yet paid political expenditures that totaled more than \$220 to one payee. You may also itemize incurred but not yet paid political expenditures totaling \$220 or less to one payee. Do not

include any political or non-political expenditures itemized on Schedule F2 in the total entered on line 3, regardless of amount.

Enter a “0” if you did not make any expenditures during the period covered.

Line 5- Total Political Contributions Maintained: Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on line 2. Only contributions accepted during the period covered by the report are entered on line 2.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period.

The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on

deposit in banks, savings and loan institutions and other depository institutions; the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.; and the balance of political contributions accepted and held in any online fundraising account over which the filer can exercise control by making a withdrawal, expenditure, or transfer.

The total amount of political contributions maintained does *not* include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

Line 6- Total Principal Amount of All Outstanding Loans: Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans as of the last day of the reporting period. This is different from the information reported on Schedule E. This line must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously.

18. SIGNATURE: Complete this section only after you have completed all applicable sections and schedules. You must always sign a report that you file. You must complete this section even if you have no schedules to attach. *Only the candidate or officeholder filing the report may sign the report.*

If you are using the paper form, fill this section out by hand after you finish the rest of this report. You have the option to either: (1) take the completed form to a notary public where you will sign above the first line that says “Signature of Candidate/Officeholder (Declarant)” (an electronic signature is not acceptable) and your signature will be notarized, or (2) sign above both lines that say “Signature of Candidate/Officeholder (Declarant)” (an electronic signature is not acceptable), and fill out the unsworn declaration section.

SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A1: MONETARY POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about monetary campaign and officeholder contributions accepted during the reporting period. Do not enter on this schedule information on non-monetary, in-kind contributions, pledges, loans, or guarantees of loans. Once you actually receive pledged money, it must be reported on Schedule A1. (Report non-monetary, in-kind contributions on Schedule A2; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter incoming monetary contributions that exceed \$110 from one person, and any monetary contribution made electronically, during the reporting period on this schedule. If you accepted two or more contributions from the same person, the total of which exceeds \$110, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$110 in the period on this schedule. If you do not itemize contributions of \$110 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE A1:** After you have completed Schedule A1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you *accepted* the contribution.

Accepting a contribution is different from *receiving* a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

Failure to make a determination about acceptance or refusal: If you fail to make a determination to accept or refuse a contribution by the end of the reporting period, the contribution is considered to have been accepted.

Returning refused contributions: If you receive a political contribution but do not accept it, you must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. If you fail to do so, the contribution is considered to have been accepted.

- 5. FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor. If the contributor is an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable. If the contributor is an entity, enter the full name of the entity.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. Certain restrictions apply to contributions from out-of-

state PACs. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state PAC for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state PAC. A political committee that makes most of its political expenditures outside of Texas may be an out-of-state PAC. A political committee must determine if it is an out-of-state PAC.

If the contributor is an out-of-state political committee from which you accepted more than \$1,080 in the reporting period (including pledges or loans from sources other than financial institutions that have been in business for more than a year), you must include one of the following with your report:

- a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$220 to the out-of-state political committee during the 12 months immediately preceding the contribution; *or*
- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee.

If the contributor is an out-of-state political committee from which you accepted \$1,080 or less (including pledges) during the reporting period, you must include one of the following with your report:

- a copy of the out-of-state political committee’s statement of organization filed as required by law with the FEC and certified by an officer of the out-of-state committee; *or*
- a document listing the committee’s name, address and phone number; the name of the person appointing the committee’s campaign treasurer; and the name, address and phone number of the committee’s campaign treasurer.

“ID #” Line (Electronic Filing Only): If you are filing your report electronically, you may enter in this field the out-of-state committee's Federal Election Commission (FEC) identification number. If you do not have an FEC # for the out-of-state PAC or are not filing electronically with the Commission, you must provide other documentation as explained above.

6. CONTRIBUTOR ADDRESS: Enter the complete address of the contributor.

7. AMOUNT OF CONTRIBUTION: Enter the exact amount of the contribution.

8. PRINCIPAL OCCUPATION OR JOB TITLE: Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the principal occupation or job title of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$1,080 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

9. **EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the employer of an individual from whom the candidate or officeholder has accepted contributions (including pledges) of \$1,080 or more during the reporting period. In other circumstances, filers are not required to report this information but may do so.

SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE A2: NON-MONETARY (IN-KIND) POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about non-monetary, in-kind campaign and officeholder contributions received during the reporting period. An in-kind contribution is a contribution of goods, services, or any other thing of value ***other than money*** that is given to your campaign. You are not required to include contributions of an individual’s personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on monetary political contributions, pledges, loans, or guarantees of loans. Once you actually receive a pledged in-kind contribution, it must be reported on Schedule A2. (Report monetary contributions on Schedule A1; report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

Itemization: You must enter non-monetary (in-kind) contributions of goods, services, or other things of value that exceed \$110 from one person, and any non-monetary contribution made electronically, during the reporting period on this schedule. If you accepted two or more non-monetary contributions from the same person, the total of which exceeds \$110, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$110 in the period on this schedule. If you do not itemize contributions of \$110 and less on this schedule, you must total all such contributions and report them on the Cover Sheet, page 2, section 17, line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE A2:** After you have completed Schedule A2, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED IN-KIND POLITICAL CONTRIBUTIONS:** Enter the total amount of in-kind political contributions of \$110 or less that you accepted during the period covered that are not itemized on this schedule. If you choose to itemize an in-kind contribution of \$110 or less on this schedule, do not include it in this total. All contributions made electronically must be itemized.
- 5. DATE:** See instructions for Schedule A1, section 4.
- 6. FULL NAME OF CONTRIBUTOR:** See instructions for Schedule A1, section 5.
“Out-of-State PAC” box: See instructions for Schedule A1, section 5.
- 7. CONTRIBUTOR ADDRESS:** Enter the complete address of the contributor.
- 8. AMOUNT OF CONTRIBUTION:** Enter the fair market value of the in-kind contribution.

9. IN-KIND CONTRIBUTION DESCRIPTION: Enter a description of the contribution. The description should be sufficiently detailed to allow a person reviewing your report to understand what was contributed.

“Check if Travel Outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

Sections 12-16 pertain to judicial candidates and officeholders only. Do not complete these sections. If you are a judicial candidate or officeholder, use form JC/OH and the corresponding instructions.

SCHEDULE B: PLEDGED CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE B: PLEDGED CONTRIBUTIONS.

Use this schedule to disclose information about pledges accepted during the reporting period for campaign or officeholder purposes. You are not required to include pledges of an individual's personal services or travel if the individual receives no compensation from any source for the services. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A1 or Schedule A2, as applicable; report loans and guarantees of loans on Schedule E.)

If you accept a pledge from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you accept the pledge.

Itemization: You must itemize pledges that exceed \$110 in the aggregate from one person during the reporting period. If you accepted two or more pledges from the same person during the reporting period, the total of which exceeds \$110, enter each pledge separately. Although you are not required to do so, you may also itemize pledges for \$110 or less from one person. You must also disclose the receipt of the pledged contribution on Schedule A1 (used for monetary contributions) or A2 (used for non-monetary contributions), as applicable, in the reporting period in which you actually receive the pledged money or thing of value. If the pledge is accepted and received in the same reporting period, it is no longer a pledge disclosed here; it becomes a contribution disclosed on the applicable contributions schedule

Note: See the Campaign Finance Guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED PLEDGES:** Enter the total amount of pledges that you accepted during the period that did not exceed \$110 in the aggregate per person. Although you are not required to do so, you may also itemize pledges of \$110 or less on this schedule. If you itemize some pledges of \$110 or less, do not include those pledges in the total entered here. If you choose to itemize all pledges of \$110 or less, enter a "0" here.
- 5. DATE:** Enter the date you *accepted* the pledge. Accepting a pledge is different from receiving a contribution. You accept a pledge when you decide to accept it rather than reject it.

Pledge accepted and received in different reporting periods: If you accept a pledge in one reporting period and then receive the pledged money or other thing of value in a later reporting period, you will disclose the pledge on this schedule in

the reporting period in which you accepted the pledge. You will also disclose the receipt of the pledged money or other thing of value on the appropriate incoming funds schedule (report monetary contributions on Schedule A1; report in-kind contributions on Schedule A2; report loans on Schedule E) in the reporting period in which you received the pledge.

Pledge received in same reporting period as accepted: If you receive payment of a pledged contribution in the same reporting period in which the pledge was accepted, then you will not report the pledge on this schedule. You will only disclose the contribution on the appropriate incoming funds schedule (such as monetary or non-monetary contributions, or loans). For a pledged contribution paid in the same reporting period, the date of the contribution will be the date your committee *accepted* the pledge, regardless of what date within the reporting period that the pledged contribution was actually *received*.

Pledge accepted but never received: You will disclose the pledge on this schedule in the reporting period in which you accepted the pledge. If you never actually receive the pledge, it is not necessary to correct your report to delete the pledge.

Example: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must disclose the pledge on his July 15 report covering the period in which he accepted the pledge. (Note: When he receives the \$1,000, he will disclose it as a monetary contribution on Schedule A1 of the report covering the period in which he received the money. Also, if he never receives the \$1,000, he does not correct/amend his report to delete the entry for the pledge.)

6. FULL NAME OF PLEDGOR: Enter the full name of the person who made the pledge.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

7. PLEDGOR ADDRESS: Enter the complete address of the person who made the pledge.

8. AMOUNT OF PLEDGE: Enter the exact amount of the pledge or the fair market value of any pledged goods or services or other thing of value, as applicable.

9. IN-KIND DESCRIPTION: If the pledge was for goods or services or any other thing of value, enter a description of the pledged goods or services or other thing of value. The description should be sufficiently detailed to allow a person reviewing your report to understand what was pledged.

“Check if Travel Outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

10. PRINCIPAL OCCUPATION OR JOB TITLE: See instructions for Schedule A1, section 8.

11. EMPLOYER: See instructions for Schedule A1, section 9.

You do not need Schedules C1-4 and D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.

SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS.

Use this schedule to disclose information about loans and guarantees of loans accepted during the reporting period for campaign or officeholder purposes. This schedule must also be used to disclose deposits of personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. This schedule may also be used to disclose political expenditures from personal funds.

Loans to Your Campaign from Your Personal Funds: You may disclose political expenditures from personal funds as a loan to your campaign on Schedule E. Outgoing political expenditures made from that loan must then be disclosed as if they were made from political contributions. The amount you disclose as a loan from yourself in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from your personal funds in the reporting period was \$5,000. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan. (You may also disclose political expenditures from personal funds on Schedule G. See the Schedule G instructions below for more information.)

Personal Funds Deposited into a Political Account: If you deposit personal funds in an account in which political contributions are held, you must disclose the deposited amount as a loan on Schedule E and check the box indicating "Personal Funds Deposited into Political Account." Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction. Disclose the outgoing political expenditures made from that loan as if they were made from political contributions. When you reimburse yourself, disclose the reimbursement as an outgoing political expenditure on Schedule F1. The reimbursement may not exceed the amount disclosed as a loan.

Itemization: You must itemize loans (including loans from personal funds) that exceed \$110 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds \$110, itemize each loan separately. You must also itemize loans that are made electronically by a person other than a financial institution, regardless of amount. Although you are not required to do so, you may also itemize any other loans that do not exceed \$110.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE E:** After you have completed Schedule E, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.

- 4. TOTAL OF UNITEMIZED LOANS:** Enter the total amount of loans accepted during the reporting period that did not exceed \$110 in the aggregate per person and were not from financial institutions, unless the loans were made electronically.

Although you are not required to do so, you may itemize loans of \$110 or less from persons other than financial institutions on this schedule. If you itemize some loans of \$110 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of \$110 or less, enter a “0” here.

- 5. DATE OF LOAN:** Enter the date you *accepted* the loan.
- 6. IS LENDER A FINANCIAL INSTITUTION?:** If you accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, choose “Y” for yes. If you accepted the loan from any other source, choose “N” for no. A loan from a corporation that has not been legally engaged in the business of making loans for more than one year is a corporate contribution. Candidates and officeholders may not accept corporate contributions.
- 7. NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan. If the lender is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the lender is an entity, enter the full name of the entity.

“Out-of-State PAC” box: See instructions for Schedule A1, section 5.

Note: See the Campaign Finance Guide for detailed information on accepting and reporting contributions from out-of-state political committees.

- 8. LENDER ADDRESS:** Enter the complete address of the person or financial institution that made the loan.
- 9. LOAN AMOUNT:** Enter the principal amount of the loan.
- 10. INTEREST RATE:** Enter the interest rate.
- 11. MATURITY DATE:** Enter the maturity date.
- 12. PRINCIPAL OCCUPATION OR JOB TITLE:** Candidates for and holders of statewide offices in the executive branch, and candidates for and holders of legislative offices, must disclose the principal occupation or job title of each individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$1,080 or more during the reporting period. Other types of filers are not required to report this information but may do so.
- 13. EMPLOYER:** Candidates for and holders of statewide offices in the executive branch, and candidates for and holders of legislative offices, must disclose the full name of the employer of an individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$1,080 or more during the reporting period. Other types of filers are not required to report this information but may do so.

- 14. DESCRIPTION OF COLLATERAL:** If there is no collateral for the loan, check the “none” box and go to section 15. If there is collateral for the loan, enter a description of the collateral for the loan.
- 15. “Check if personal funds were deposited into political account” box:** Check this box *only if* the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported as if they were made from political contributions. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.
- 16. GUARANTOR INFORMATION:** If there are no guarantors for the loan, check the “Not Applicable” box and skip sections 17 through 21. If you have no further loans to report, go to the next applicable schedule.

Note: A person who guarantees all or part of a loan makes a reportable contribution in the amount of the guarantee. You must report such a contribution on this schedule, and not on the applicable contributions schedule.

- 17. NAME OF GUARANTOR:** Enter the full name of the person guaranteeing the loan. If the guarantor is an individual, enter the full first and last name and suffix (Jr., III, etc.) if applicable. If the guarantor is an entity, enter the full name of the entity.
- 18. GUARANTOR ADDRESS:** Enter the complete address of the guarantor.
- 19. AMOUNT GUARANTEED:** Enter the exact amount of the loan that the guarantor has agreed to guarantee.
- 20. PRINCIPAL OCCUPATION:** Enter the principal occupation of the guarantor.
- 21. EMPLOYER:** Enter the employer of the guarantor.

SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F1: POLITICAL EXPENDITURES FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about political expenditures from political contributions that were made during the reporting period. Do not enter on this schedule unpaid incurred obligations, political expenditures made from personal funds, the purchase of investments from political contributions, expenditures made by credit card, or payments from political contributions made to a business that you own or control. (Report unpaid incurred obligations on Schedule F2; report expenditures from personal funds on Schedule G; report the purchase of investments from political contributions on Schedule F3; report expenditures made by credit card on Schedule F4; and report payments from political contributions made to a business that you own or control on Schedule H.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable. See instructions for Schedule F4: Expenditures Made by Credit Card for more information.

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter expenditures paid to one individual or entity during the reporting period that in the aggregate exceed \$220 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$220, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$220 in the period on this schedule. If you choose not to itemize expenditures of \$220 and less on this schedule, you must total all unitemized expenditures and report them on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F1:** After you have completed Schedule F1, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date the expenditure was made. Remember: expenditure obligations you incurred in this reporting period ***but have not yet paid*** are entered on Schedule F2. Expenditures made by credit card are entered on Schedule F4.
- 5. PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

6. **AMOUNT:** Enter the exact amount of the expenditure.
7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.
8. **PURPOSE OF EXPENDITURE:** You must disclose the purpose of the expenditure in two parts: Category and Description. Merely disclosing the category of goods, services, or other thing of value for which the expenditure was made does not adequately describe the purpose of an expenditure.

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. If none of the listed categories apply, select “Other” and enter your own category. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Credit Card Payment

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

Polling Expense

Printing Expense

Salaries/Wages/Contract Labor

Solicitation/Fundraising Expense

Transportation Equipment and Related Expense

Travel In District

Travel Out Of District

Other (Enter your own category, if none of the listed categories apply)

(b) Description: Enter a brief statement or description of the candidate or officeholder activity that was conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

“Check if travel outside of Texas” box: Check this box if the expenditure was for travel outside of Texas. The description of a political expenditure for travel outside of Texas must include detailed information. Report this information on Schedule T.

“Check if Austin, TX, officeholder living expense” box: Check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, see "Examples: Purpose of Expenditures."

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE F2: UNPAID INCURRED OBLIGATIONS

These instructions are for candidates and officeholders using SCHEDULE F2: UNPAID INCURRED OBLIGATIONS.

Use this schedule to disclose information about obligations to make an expenditure that you incurred during the reporting period but have not yet paid. If under normal business practices, the amount of an expenditure is not known or readily ascertainable until receipt of a periodic bill, do not report it on this schedule. Do not enter on this schedule obligations that were incurred and paid during the reporting period, or other outgoing funds. (Report obligations incurred and paid during the reporting period on Schedule F1, F3, G, H, or I as appropriate, and report expenditures made by credit card on Schedule F4.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: Itemization requirements differ depending on whether the unpaid incurred obligation is for a political or non-political expenditure.

Unpaid Incurred Political Obligations: You must enter political obligations incurred but not yet paid to one individual or entity during the reporting period that in the aggregate exceed \$220 on this schedule. If you incurred more than one obligation to the same payee during the reporting period, the total of which exceeded \$220, enter each expenditure separately. Although you are not required to do so, you may also report political obligations incurred to one person that do not exceed \$220 in the period on this schedule. If you choose not to itemize incurred political obligations of \$220 and less on this schedule, you must total all unitemized obligations and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$220 or less on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F2:** After you have completed Schedule F2, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED UNPAID INCURRED OBLIGATIONS:** Enter the total amount of political obligations incurred during the reporting period that do not exceed \$220 in the aggregate per person, unless itemized on this schedule. You are not required to itemize unpaid incurred political obligations of \$220 or less, but if you choose to do so, do not include those unpaid incurred obligations in the total you enter here.
- 5. DATE:** Enter the date the obligation was incurred. Remember: expenditure obligations you incurred *and* paid during the reporting period are entered on Schedule F1, G, H or I, as applicable. Expenditures made by credit card are disclosed on Schedule F4.

6. PAYEE NAME: See instructions for Schedule F1, section 5.

Note: If you incurred an obligation for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you incurred the obligation. Include that information under section 10, “Purpose of Expenditure.”

7. AMOUNT: Enter the exact amount of the incurred expenditure obligation.

8. PAYEE ADDRESS: Enter the complete address of the person to whom the obligation is owed.

9. TYPE OF EXPENDITURE: Check only one box to indicate whether the incurred obligation was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

10. PURPOSE OF EXPENDITURE: See instructions for Schedule F1, section 8.

11. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT

CANDIDATE/OFFICEHOLDER: See instructions for Schedule F1, section 9.

SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE F3: PURCHASE OF INVESTMENTS FROM POLITICAL CONTRIBUTIONS.

Use this schedule to disclose information about investments purchased from political contributions during the reporting period. Do not enter on this schedule political expenditures from political contributions, unpaid incurred obligations, expenditures made by credit card, political expenditures made from personal funds, or payments from political contributions made to a business that you own or control. (Report political expenditures from political contributions on Schedule F1; report unpaid incurred obligations on Schedule F2; report expenditures made by credit card on Schedule F4; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that you own or control on Schedule H.)

See the *Campaign Finance Guide for Candidates and Officeholders* for important restrictions regarding the use of political funds to rent or purchase real property.

Itemization: You must enter investments purchased with political contributions during the reporting period that in the aggregate exceed \$140 on this schedule. If you made two or more payments to the same payee to purchase an investment, the total of which exceeded \$140, enter each payment separately. Although you are not required to do so, you may also report investments purchased with political contributions that do not exceed \$140 in the period on this schedule.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F3:** After you have completed Schedule F3, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.
- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. DATE:** Enter the date you purchased the investment.
- 5. NAME OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the full name of the person or entity from whom you purchased the investment. If you purchased the investment from an individual, enter the full first and last name, and suffix (Jr., III, etc.) if applicable (title is optional). If you purchased the investment from an entity, enter the full name of the entity.
- 6. ADDRESS OF PERSON FROM WHOM INVESTMENT IS PURCHASED:** Enter the complete address of the person or entity from whom you purchased the investment.
- 7. DESCRIPTION OF INVESTMENT:** Enter a brief statement or description of the investment. For example, “Ten shares of stock in ABC Company.”

SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD

*These instructions are for candidates and officeholders using SCHEDULE F4: EXPENDITURES MADE BY CREDIT CARD. **Note: significant changes were made to Schedule F4 in 2024.***

Use this schedule to disclose information about expenditures made by a credit card. You must disclose expenditures charged to a credit card on this schedule and identify the individual, entity, or vendor who receives payment from the credit card issuer. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable.

Do not enter on this schedule: political expenditures from political contributions that were paid for with cash, check, or debit card; unpaid incurred obligations; political expenditures made from personal funds; or payments from political contributions made to a business that a candidate or officeholder owns or controls on this schedule. (Report political expenditures from political contributions that were paid for with cash, check or debit card on Schedule F1; report unpaid incurred obligations on Schedule F2; report the purchase of investments from political contributions on Schedule F3; report expenditures from personal funds on Schedule G; and report payments from political contributions made to a business that a candidate or officeholder owns or controls on Schedule H.)

For examples regarding the disclosure of expenditures made by credit card, see “Examples: Reporting Expenditures Made by Credit Card.”

Itemization: Itemization requirements differ depending on whether the expenditure made by a credit card is for a political or non-political expenditure.

Political Expenditures Made by Credit Card: You must itemize political expenditures made by credit card that exceed \$220 (in the aggregate) to a single payee. If you made two or more expenditures to the same payee during the reporting period, the total of which exceeded \$220, enter each expenditure made by credit card separately. Although you are not required to do so, you may also report political expenditures made by credit card that do not exceed \$220 in the reporting period on this schedule. If you choose not to itemize political expenditures made by credit card of \$220 and less on this schedule, you must total all unitemized political expenditures and report them in section 4 of this Schedule. You must also include that amount in the total unitemized political expenditures of \$220 or less on the Cover Sheet, page 2, section 17, line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F4:** After you have completed Schedule F4, count the total number of pages. Each side of a two-sided form counts as one page.
- 2. FILER NAME:** Enter your full name.

- 3. FILER ID:** See instructions for Cover Sheet, page 1, section 1.
- 4. TOTAL OF UNITEMIZED EXPENDITURES CHARGED TO ALL CREDIT CARDS:** Enter the total amount of political expenditures charged to all credit cards you used during the reporting period that do not exceed \$220 in the aggregate per person, unless itemized on this schedule. You are not required to itemize political expenditures made by credit card of \$220 or less, but if you choose to do so, do not include those political expenditures made by credit card in the total you enter here.
- 5. CREDIT CARD ISSUER:** Enter the full name of the financial institution that issued the credit card. Use a separate page of Schedule F4 for each credit card used.

Sections 6 through 9 are used to report information about each itemized expenditure made using the credit card listed in item #5 above. Each expenditure must have its own entry. If you made more than three expenditures using that same credit card during the period covered by the report, include additional pages of Schedule F4 and include the name of the credit card issuer in Item 5 on every page. Leave Item 4 blank except for the first page for that credit card issuer.

6. PAYMENT

- (a) Amount Charged:** Report the exact amount of the credit card expenditure.
- (b) Date Expenditure Charged:** Enter the date you charged the credit card.

Note: There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election (pre-election reports) and for runoff reports, the date of the credit card expenditure is the date the credit card is used. For other reports, the date of the credit card expenditure is either the date of the charge or the date the credit card statement is received. *A filer can never go wrong by disclosing the date of the expenditure as the date of the charge.*

- (c) Date(s) Credit Card Issuer Paid:** List the date(s) that you made payments to the credit card issuer during the period covered by the report for this expenditure. If you made multiple payments to the credit card issuer during the period covered by the report, list the first and last dates that you made payments.

7. PAYEE

- (a) Payee Name:** See instructions for Schedule F1, section 5. Disclose the name of the vendor who sold you the goods or services as the payee, NOT the credit card issuer.

Note: If you made an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor of the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under section 8, “Purpose of Expenditure.”

- (b) Payee Address:** Enter the complete address of the payee of the credit card expenditure.

- 8. PURPOSE OF EXPENDITURE:** Check only one box to indicate whether the credit card expenditure was political or non-political.

A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. For instance, expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures.

(a) Purpose of Expenditure: See instructions for Schedule F1, section 8.

Note: Do not choose “Credit Card Payment” as the category for an expenditure made by credit card when an individual, entity, or vendor receives payment from the credit card issuer. Instead, choose the category that corresponds to the goods, services, or other thing of value purchased from the individual, entity, or vendor.

(b) Description: See instructions for Schedule F1, section 8.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT

CANDIDATE/OFFICEHOLDER: See instructions for Schedule F1, section 9.

SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS

These instructions are for candidates and officeholders using SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS.

Use this schedule to disclose information about political expenditures from personal funds that were made during the reporting period. Alternatively, you may choose to disclose political expenditures from personal funds as a loan on Schedule E (see the Schedule E instructions above for more information). Do not enter on this schedule information about personal funds deposited in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. (Report the deposit of personal funds into a political account as a loan on Schedule E.)

Expenditures Made by Credit Card: You must disclose expenditures charged to a credit card on Schedule F4 and *not* on this schedule. When you pay the credit card bill, you must disclose the payment to the credit card issuer on Schedule F1 (used for political payments from political contributions), Schedule G (used for political payments from personal funds), Schedule H (used for payments from political contributions made to a business that you own or control), or Schedule I (used for non-political payments from political contributions), as applicable. FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the “Final Report” box checked on page 1, section 9. It must also include Schedules A1, A2, B, E, F1, F2, F3, F4, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a “candidate” as long as you have an active appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an active appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an active appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

Officeholders Filing a Final Report: You will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed \$1,080 in contributions or \$1,080 in expenditures during the reporting period.

If you cease to be an officeholder at a time when you do not have an active campaign treasurer appointment on file, and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder, you *must* file an annual report of unexpended contributions (Form C/OH-UC) not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. If your unexpended contribution report shows that your contributions maintained is now “\$0.00,” then you may file that unexpended contribution report at any time. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide for Candidates and Officeholders.

Non-Officeholders Filing a Final Report: You will no longer be required to file reports *unless* you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions. If you retain any of those items, you must file an annual report of unexpended contributions (Form C/OH-UC) not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. If your unexpended contribution report shows that your contributions maintained is now “\$0.00,” then you may file that unexpended contribution report

at any time. You may not retain these unexpended funds longer than six years after the date of filing a final report. For information about important restrictions regarding the use and reporting of unexpended contributions, see the Campaign Finance Guide for Candidates and Officeholders.

ADDITIONAL INFORMATION REGARDING EXPENDITURES

EXAMPLES: REPORTING EXPENDITURES MADE BY CREDIT CARD

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures made by credit card and payments made to credit card issuers.

Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made by credit card.

Example #1: Candidate Using Credit Card to Make Political Expenditures and Using Political Contributions to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for elected office uses her credit card to buy \$1,000 in campaign office supplies from an office store. During the same reporting period, the candidate uses her credit card to buy \$500 in political advertising signs from a sign company. During the same reporting period, the candidate makes a single payment from her political contributions account to pay the \$1,500 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which she made the credit card charges and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 twice, once for the \$1,000 expenditure and again for the \$500 expenditure.
2. For the \$1,000 expenditure, the candidate reports an amount charged of \$1,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the office store in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Office Overhead/Rental Expense,” and the description is “Campaign Office Supplies.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the \$500 expenditure, the candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$1,500 in section 6(c). She identifies the sign company in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Signs.” In Section 8 of the schedule, the box for “Political” is also checked.
4. For the payment to the credit card issuer: a \$1,500 expenditure is reported on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for credit card expenditures.”

5. Both \$1,500 amounts reported on Schedules F4 and F1 are also included in the appropriate totals sections of Cover Sheet Pages 2 and 3.

Example #2: Candidate Using Credit Card to Make a Political Expenditure and Using Personal Funds to Pay the Entire Credit Card Bill in the Same Reporting Period

A candidate for *non-judicial* office uses his credit card to purchase \$3,000 in political advertising materials from a print shop. During the same reporting period, the candidate makes one payment from his personal funds account to pay the entire \$3,000 credit card bill.

To report that activity, the candidate would report all of the following on a campaign finance report (Form C/OH) covering the period in which he made the credit card charge and sent the payment to the credit card issuer:

1. The candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$3,000 expenditure.
2. The candidate reports an amount charged of \$3,000 in section 6(a), the date the expenditure was made in section 6(b), and the date the credit card issuer was paid \$3,000 in section 6(c). He identifies the print shop in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising Materials.” In Section 8 of the schedule, the box for “Political” is also checked.
3. For the payment to the credit card issuer: a \$3,000 expenditure is reported on the “Political Expenditures Made from Personal Funds” Schedule (G). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising materials.” If the candidate intends to seek reimbursement from political contributions, the candidate may also check the appropriate box in Section 6.
4. Both \$3,000 amounts reported on Schedules F4 and G are also included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #3: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$500 in political advertising in a newspaper. The committee receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the committee sends a payment to the credit card issuer, it makes a \$500 payment from its political contributions account.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$500 expenditure.
2. The GPAC reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. They identify the newspaper in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the payment to the credit card issuer:

1. The GPAC reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #4: Candidate Using Credit Card to Make a Political Expenditure and Using Political Contributions to Pay the Credit Card Bill in Different Reporting Periods

A candidate for *judicial* office uses her credit card to buy \$500 in political advertising in a newspaper. The candidate receives the statement from the credit card issuer but does not send a payment until after the reporting period ends. When the candidate sends a payment to the credit card issuer, she makes a \$500 payment from her political contributions account.

To report the credit card charge, the candidate would report all of the following on a campaign finance report (Form JC/OH) covering the period in which she made the credit card charge:

1. The judicial candidate fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The candidate fills out sections 6 through 9 once, for the \$500 expenditure.
2. The judicial candidate reports an amount charged of \$500 in section 6(a), the date the expenditure was made in section 6(b), and leaves section 6(c) blank. She identifies the newspaper in section 7 as the payee of the expenditure and includes their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.

3. The \$500 amount reported on the “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payment to the credit card issuer, the judicial candidate would also report all of the following on a campaign finance report (Form JC/OH) covering the period in which the payment to the credit card issuer was made:

1. The judicial candidate reports a \$500 expenditure on the “Political Expenditures from Political Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
2. The \$500 amount reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

Example #5: Political Committee Using Credit Card to Make a Political Expenditure and Using Political Contributions to Make Partial Payments of the Credit Card Bill in Different Reporting Periods

A general-purpose committee (GPAC) uses its credit card to buy \$5,000 in political advertising for a mailer from a printing company. The committee receives the statement from the credit card issuer and makes one or more partial payments from political contributions of \$2,000 in that same reporting period. The committee pays the remaining \$3,000 from political contributions to the credit card issuer in a different reporting period.

To report the credit card charge, the committee’s campaign treasurer would report all of the following on a campaign finance report (Form GPAC) covering the period in which it made the credit card charge:

1. The GPAC fills out one page of the “Expenditures Made by Credit Card” Schedule (F4). The credit card issuer’s name is included in section 5. The GPAC fills out sections 6 through 9 once, for the \$5,000 expenditure.

They identify the printing company in section 7 as the payee of the expenditure and include their address. Section 8’s category for the expenditure is “Advertising Expense,” and the description is “Political Advertising.” In Section 8 of the schedule, the box for “Political” is also checked.
3. The \$5,000 amount reported on “Expenditures Made by Credit Card” Schedule (F4) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3.

To report the payments to the credit card issuer, the committee’s campaign treasurer would also report all of the following on a campaign finance report (Form GPAC):

1. For the \$2,000 payment(s) made during the same period that the expenditure was made, the GPAC reports a \$2,000 expenditure on the “Political Expenditures from Political

Contributions” Schedule (F1). The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”

The schedule identifies the credit card issuer as the payee of the expenditure and includes the address, date, amount, a category of the expenditure as “Credit Card Payment,” and a description as “Payment of credit card bill for political advertising.”
3. The \$2,000 and \$3,000 amounts reported on the “Political Expenditures from Political Contributions” Schedule (F1) will also be included in the appropriate sections of Cover Sheet Pages 2 and 3 for each reporting period.

EXAMPLES: REPORTING EXPENDITURES FROM PERSONAL FUNDS

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting expenditures from personal funds.

If you intend to seek reimbursement of any amount from political contributions for a political expenditure made from your personal funds, you must report the expenditure in one of three ways. Keep in mind that this reporting system is not an accounting system and duplication of expenditures is not uncommon when reporting transactions related to expenditures made from personal funds.

Method #1: Itemize the expenditure on the “Political Expenditures Made from Personal Funds” schedule (Schedule G) and check the box to indicate that you intend to seek reimbursement from political contributions. You may not correct a report to allow reimbursement without subjecting yourself to a possible penalty. When you reimburse yourself, which could be months or years later, report the reimbursement on the “Political Expenditures Made From Political Contributions” schedule (Schedule F1).

Example: On December 1, 2020, Candidate A spends \$500 of her own personal funds to purchase political advertising signs. She does not use a credit card for this purchase; the purchase is made using cash, check or a debit card. She reports the expenditure to the vendor on Schedule G and checks the box to indicate that reimbursement is intended. One year later, Candidate A reimburses herself from political contributions. She reports the reimbursement on Schedule F1. Candidate A is the payee and the purpose of the expenditure is to reimburse herself for a political expenditure made from personal funds on December 1, 2020.

If you intend to seek reimbursement from political contributions for a political expenditure of any amount made from personal funds, you must itemize the expenditure on Schedule G.

Method #2: Report the political expenditures made from your personal funds as a loan to your campaign on the “Loans” schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, F4, or H as appropriate). Do NOT report political expenditures made from the loan on Schedule G.

The amount you report as a loan in a reporting period may NOT exceed the amount you actually spent from personal funds in that reporting period. In other words, do not report a \$100,000 loan to your campaign if the amount actually spent from personal funds in the reporting period was \$5,000. When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1.

Example: In one reporting period, Candidate B spends \$5,000 of his own personal funds to purchase political advertising materials. He spends \$3,000 at Business One and \$2,000 at Business Two. He reports the expenditures as a \$5,000 loan on Schedule E and then itemizes each of the two expenditures as a political expenditure on Schedule F1. A year later, Candidate B reimburses himself from political contributions by disclosing the reimbursement on Schedule F1. He reports the reimbursement on Schedule F1. Candidate B is the payee, the category of the expenditure is “Loan Repayment/Reimbursement,” and “political

expenditure made from personal funds reported as a loan” is an acceptable brief description.

Method #3: Deposit personal funds in an account in which your political contributions are maintained and report that amount as a loan on the "Loans" schedule (Schedule E). Next, report the political expenditures made from that loan as if they were made from political funds (report on Schedules F1, F2, F3, or H as appropriate). When you reimburse yourself, which could be months or years later, report the reimbursement on the Schedule F1. The reimbursement may not exceed the amount reported as a loan. Personal funds deposited in an account in which political contributions are held are subject to the personal use restriction.)

Example: In one reporting period, Candidate C opens a campaign bank account and deposits \$5,000 of her own personal funds into the account. She makes one \$3,000 expenditure for political advertising. Candidate C has no other activity in the reporting period. She reports the \$5,000 as a loan on Schedule E, itemizes the \$3,000 expenditure for the political advertising on Schedule F1, and includes the remaining \$2,000 on her contributions maintained at the end of the reporting period total. A year later, Candidate C reimburses herself from political contributions by disclosing the reimbursement on Schedule F1. Candidate C is the payee, the category of expenditure is "Loan Repayment/Reimbursement," and "political expenditure made from personal funds reported as a loan" is an acceptable brief description.

EXAMPLES: REPORTING STAFF REIMBURSEMENT

This list is for illustrative purposes only. It is intended to provide helpful information and to assist filers in reporting staff reimbursements.

When a staff member makes political payment(s) out of his or her personal funds, how you disclose the payment(s) depends on two things: 1) the aggregate total of those payments in the reporting period; and 2) whether or not you reimburse the staff worker in the same reporting period.

Example #1: The payment out of the staff worker's personal funds does not exceed \$5,000 in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – Itemize the payment (if over the \$220 itemization threshold) on Schedule F1 as if you made the expenditure directly to the vendor out of your political funds, with the name of the vendor who sold the goods or services as the payee for the expenditure. **Do not** disclose as the payee the name of your staff worker.

Example #2: The payment(s) out of the staff worker's personal funds are over \$5,000 in the aggregate in the reporting period **and** you reimburse the staff worker from political funds in the same reporting period – Use a 3-step process, disclosing everything on the same report: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) On Schedule F1, disclose the payment to your staff worker for the reimbursement of the loan.

Example #3: The payment(s) out of the staff worker's personal funds do not exceed \$5,000 in the aggregate in the reporting period **but** you reimburse the staff worker from political funds in a different reporting period – Use a 3-step process, disclosing steps 1 and 2 on the same report and step 3 later, when the reimbursement occurs: (1) On Schedule E, disclose the total amount paid from the staff worker's personal funds as a loan from the staff worker to your campaign; (2) On Schedule F1, itemize the payments made by your staff worker separately, with the names of the vendors who sold the goods or services to your staff worker as the payees for the expenditures. **Do not** disclose as the payee the name of your staff worker; and (3) When you reimburse your staff worker, if ever, disclose on Schedule F1 of the report covering the period in which the reimbursement occurs the payment to your staff worker for the reimbursement of the loan.

For on-premises signs which are double-faced, each face is considered a separate sign in computing the face area if each face is advertising a different business on the property. If the face area of an on-premises sign is identical on both sides, then the face area is computed by measuring one (1) side only.
- 5.) *Setbacks.* For purposes of this article, setbacks shall be measured from the outside frame of the sign if the sign face is parallel to the property line. Setbacks are determined according to the type of sign and the zone in which the sign is to be located; (see signs permitted by zoning districts, Division 5 of this article). Under no circumstances shall a private sign be allowed to project into a public right-of-way unless otherwise authorized by this article.

(e) For purposes of this section, a political subdivision

located in more than one county may choose:

(1) to be considered located in the county that contains the greatest number of registered voters of the political subdivision; or

INTRODUCTION

This “Poll Watcher’s Guide” has been designed to familiarize poll watchers with their basic rights and responsibilities. The integrity of elections is a concern of all citizens, and although poll watchers may represent particular candidates, political parties, or specific-purpose political action committees, their main interest is in the conduct of a fair and honest election.

A poll watcher’s role in an election is established by Chapter 33 of the Texas Election Code and is defined as follows:

Poll Watcher – a person appointed to observe the conduct of an election on behalf of:

- a candidate,
- a political party, or
- the proponents or opponents of a measure (specific-purpose political action committees).

It is the intent of the legislature that watchers duly accepted for service under Chapter 33 be allowed to observe and report on irregularities in the conduct of any election, but may not interfere in the orderly conduct of an election. A watcher appointed under Chapter 33 shall observe without obstructing the conduct of an election and call to the attention of an election officer any observed or suspected irregularity or violation of law in the conduct of the election. [Sec. 33.0015].

Throughout this guide, all references are made to appropriate sections in the Texas Election Code, unless otherwise noted.

QUICK POINTS TO REMEMBER

- In order to serve as a poll watcher, you must show up with a certificate of appointment that includes:
 - Name, residence address, and voter registration number of the poll watcher;
 - The signature of the person(s) making the appointment;
 - The election and the number of the precinct where the poll watcher is to serve;
 - An indication of the capacity in which the appointing authority is acting;
 - In an election on a measure, an identification of the measure (if more than one is to be voted on) and a statement of which side the appointee represents;
 - An affidavit to be executed by the poll watcher stating that the poll watcher will not have possession of any mechanical or electronic means of recording images or sound while serving as a watcher unless the poll watcher disables or deactivates the device; and
 - The signature of the poll watcher.
- You must complete the poll watcher training administered by the SOS and present the certificate of completion to the presiding judge.

- Be ready to counter-sign the certificate of appointment in front of the election judge. This serves not only to certify that the person presenting themselves as a poll watcher is the person named on the appointment, but also as the execution of the affidavit that the watcher does not have possession of any prohibited recording devices.
- If you are serving on election day and want to vote in a different precinct (from the location of service), we recommend voting during the early voting period, before your service as a poll watcher.
- Take the oath administered by the election officer.

The watcher must deliver a certificate of completion from training to the presiding judge at the time the watcher reports for service. [Sec. 33.051].

A person appointed to serve as a watcher must complete watcher training prior to every election for which the person is appointed to serve as a watcher. A person is not required to complete training for a resulting runoff election, or a second election to resolve a tie, if the watcher completed training for the initial election.

A separate certificate of completion must be delivered at each place the watcher is appointed to serve. The certificate of completion and the certificate of appointment must be delivered to the presiding judge at the time the watcher presents to serve. The presiding judge shall retain the certificate of completion and certificate of appointment with the election records. certificate of completion to present at each location the watcher is appointed to serve. [Sec. 33.051].

A watcher appointed to serve at a polling place, meeting of the early voting ballot board, or central counting station must deliver 1) their certificate of appointment; and 2) their certificate of completion from SOS training to the presiding judge at the time the watcher reports for service. TIME FOR REPORTING TO THE POLLING PLACE:

Q. At what time do watchers need to report to the polling place, and how long do they need to stay at that polling place?

A. 1. At the polling place on **Election Day**, a poll watcher may begin service at any time after the presiding judge arrives and may stay at the polling place until election officials complete their duties. [Sec. 33.052].

NEW LAW: HB 1631 (2023, R.S.) eliminated the requirement for poll watchers to serve for five continuous hours at a polling place on election day in order for the watcher to serve the hours they choose.

2. At an **early voting** polling place, a poll watcher:

- may be present at the polling place at any time it is open and until voting equipment is secured on the close of voting each day; and
- may serve during the hours the watcher chooses. [Sec. 33.053].

NOTE: A poll watcher may be appointed to observe early voting by personal appearance only; a poll watcher is not entitled to observe the procedures related to early voting by mail.

NOTE: The information placed on the early voting roster of people who voted by personal appearance, and those for whom an early voting ballot by mail has been received, is not available for public inspection by anyone until 11 a.m. on the first business day following the day the voter voted in person or the voter's ballot is received by the early voting clerk. [Sec. 87.121].

A poll watcher cannot obtain a copy of an application for a ballot to be voted by mail from the early voting clerk until the first business day after the election day

of the earliest election for which the application is valid. Therefore, an Annual ABBM will not be available for public inspection or copying until the first business day after the election day of the earliest election held each calendar year for which the application is valid, except to the voter seeking to verify that the information is accurate. [Sec. 86.014].

3. At an **early voting ballot board meeting** (including the signature verification committee), a poll watcher:

- may be present at any time the board is processing or counting ballots and until the board completes its duties; and
- may not leave during voting hours on election day without the early voting ballot board judge's permission once the board has begun counting the ballots. [Sec. 33.054].

4. At the **central counting station**, a poll watcher:

- may be present at any time the central counting station is open and has convened for the purpose of processing or preparing to process election results and until the election officers complete their duties at the station; and
- may not leave during voting hours without the presiding judge's permission if the counting of ballots at the central counting station has begun. [Sec. 33.055].

NOTE: The presiding judge of the central counting station, in cooperation with the county clerk/elections administrator, may choose to withhold the release of vote totals until the last voter has voted. [Sec. 127.1311].

CERTIFICATE OF APPOINTMENT

ISSUANCE OF CERTIFICATE:

The appointing authority must issue a certificate of appointment to the watcher. [Sec. 33.006(a)].

Q. What information needs to be on the certificate?

A. The certificate of appointment must be in writing and must include the following:

2. The election and the number of the precinct (or other location, for example, early voting ballot board meeting) at which the watcher is appointed to serve;
3. The signature of the person(s) making the appointment;
4. An indication of the capacity in which the appointing authority is acting (example: as a candidate, a campaign treasurer or assistant campaign treasurer of a specific-purpose political action committee);
5. In an election on a measure, an identification of the measure (if more than one is to be voted on) and a statement identifying which side the appointee represents; and
6. An affidavit executed by the poll watcher stating that the poll watcher will not have possession of any mechanical or electronic means of recording images or sound while serving as a watcher unless the poll watcher disables or deactivates the device. (This

affidavit is signed in the presence of the presiding judge; that signature also serves as the countersignature, which is discussed below.) [Sec. 33.006(b)].

NOTE: Officially-prescribed poll watcher appointment forms may be found on our website at <https://www.sos.state.tx.us/elections/forms/pol-sub/index.shtml>

Q. What are the requirements for a certificate of a watcher appointed on behalf of a non-declared write-in candidate?

A. Additional requirements necessary for a certificate of appointment of a watcher for a non-declared write-in candidate include:

1. the residence address and voter registration number of the lesser of 15 voters or 5 percent of the registered voters in the precinct or political subdivision, as applicable;
2. the signed statement of the candidate, or a person who would be authorized to make appointments on the candidate's behalf if the candidate's name appeared on the ballot, that the appointment is made with the signer's consent; and
3. the residence or office address of the write-in candidate or the person who would be authorized to make appointments on the candidate's behalf if the candidate's name appeared on the ballot. If the candidate does not sign, the signer must indicate his or her relationship to the candidate. [Sec. 33.006(c)].

Q. How does one deliver a certificate of appointment?

- A. 1. A watcher must deliver a certificate of appointment and certificate of completion to the presiding judge at the time the watcher reports for service. [Sec. 33.051(a)].
2. The officer presented with a watcher's certificates must require the watcher to countersign the certificate of appointment in the officer's presence to verify that the watcher is the same person who originally signed the certificate. The watcher's signature is in the portion of the certificate containing the affidavit that the watcher does not have possession of any prohibited recording devices; this serves as the acknowledgement of the affidavit, acknowledgement of the required training, and the countersignature. [Sec. 33.051(b)].
3. A watcher may not be accepted for service unless he or she provides an affidavit executed by the poll watcher stating that the poll watcher will not have possession of any mechanical or electronic means of recording images or sound while serving as a watcher unless the poll watcher disables or deactivates the device.
4. The judge must keep the certificate of appointment and certificate of completion in envelope no. 2 (or other designated container), which is returned to the custodian of election records after the election. [Sec. 66.023(7)].
5. The certificates of a watcher serving at an early voting polling place must be retained at the polling place until the voting period has concluded at the polling place. At each subsequent time that the watcher reports for service at that location, the watcher shall inform the clerk or deputy in charge. The officer may require the watcher to sign the watcher's name in the officer's presence, for comparison with the signature on the

certificate of appointment, if the officer is uncertain of the watcher's identity. [Sec. 33.051(d)].

6. If the watcher is rejected, the certificates should be returned to the watcher with a signed statement of the reason for the rejection. [Sec. 33.051(e)].
7. Before accepting a watcher, the officer presented with a watcher's certificate of appointment shall require the watcher to take the following oath, administered by the officer:

"I swear (or affirm) that I will not disrupt the voting process or harass voters in the discharge of my duties." [Sec. 33.051(h)].

DUTIES AND PRIVILEGES OF A WATCHER

A watcher is entitled to sit or stand near enough to see and hear the election officers conducting the observed activity, except as otherwise prohibited by Chapter 33. A watcher **may not** be denied free movement where election activity is occurring within the location at which the watcher is serving. A watcher who is entitled to "observe" an election activity under the Election Code is entitled to sit or stand near enough to see and hear the activity. [Sec. 33.056].

A watcher may point out to an election judge or clerk any observed irregularity or violation of law. However, if the clerk refers the watcher to the judge, the watcher may not discuss the matter further with the clerk unless the presiding judge invites the discussion. [Sec. 33.058(b)].

Q: May watchers wear name tags?

6. **Cause a disruption or breach of the peace or harass voters.** A watcher **may not violate** the Election Code either in the polling area or within 100 feet of the entrance to the building where the polling place is located; otherwise, the watcher may be subject to removal. [Sec. 32.075].

However, a presiding judge may remove a poll watcher for a violation of the Penal Code, regardless of whether the election judge or clerk observed the violation. Additionally, a presiding judge may call a law enforcement officer to request a poll watcher be removed if the poll watcher commits a breach of the peace or a violation of law. Voters who do not possess one of the forms of acceptable photo identification listed below, and cannot reasonably obtain one of these forms of acceptable photo identification listed below, may present a supporting form of identification of the voter and execute a Reasonable Impediment Declaration,

noting the voter's reasonable impediment to obtaining an acceptable form of photo identification, stating that the information contained in the declaration is true, that the voter is the same person appearing at the polling place to sign the declaration, and that the voter faces a reasonable impediment to procuring an acceptable form of photo identification.

List of Acceptable Forms of Photo ID ("List A"):

- Texas Driver License issued by the Texas Department of Public Safety ("DPS")
- Texas Election Identification Certificate issued by DPS
- Texas Personal Identification Card issued by DPS
- Texas Handgun License issued by DPS
- United States Military Identification Card containing the person's photograph
- United States Citizenship Certificate containing the person's photograph
- United States Passport (book or card)

With the exception of the U.S. Citizenship Certificate, which does not expire, the identification must be current or, for voters aged 18-69, have expired no more than 4 years before being presented for voter qualification at the polling place. A person 70 years of age or older may use a form of photo identification listed above that has expired for any length of time if the identification is otherwise valid.

If a voter does not possess one of the forms of acceptable photo identification listed above, and the voter cannot reasonably obtain such identification, the voter may execute a Reasonable Impediment Declaration and present one of the following supporting forms of identification:

List of Supporting Forms of ID ("List B"):

- copy or original of a government document that shows the voter's name and an address, including the voter's voter registration certificate;
- copy of or original current utility bill;
- copy of or original bank statement;
- copy of or original government check;
- copy of or original paycheck; or
- copy of or original of (a) a certified domestic (from a U.S. state or territory) birth certificate or (b) a document confirming birth admissible in a court of law which establishes the voter's identity (which may include a foreign birth document).

The voter must execute a Reasonable Impediment Declaration and present a supporting form of identification to complete the procedure. **The election judge, election clerk, or poll watcher cannot question the reasonableness of the impediment claimed by the voter. The poll watcher is not permitted to converse with any voter or communicate in any manner with any voter regarding the election, including, but not necessarily limited to, the Reasonable Impediment Declaration procedures or the presentation of voter identification.**

On the Reasonable Impediment Declaration, the voter must enter their name, indicate the voter's reasonable impediment to obtaining one of the seven forms of acceptable photo ID, and then sign and date the form in the presence of the election judge. The election judge must then indicate that the form was signed and sworn before the judge by also signing and dating the form. Either the poll worker or the election judge should also check the box listing the form of supporting documentation the voter presented, fill in the Date of Election and Location fields, and fill in the voter's Voter Unique Identification Number ("VUID") in the appropriate box or affix a sticker that contains that information across the box, and note on the Combination Form that the declaration was used by the voter.

NOTE: The address on either an acceptable form of photo identification or, if applicable, a supporting form of identification does not need to match the address on the list of registered voters.

If the voter's name on the list of registered voters does not match exactly to the ID presented (either an acceptable form of photo ID or, if applicable, a supporting form of identification), the voter must complete the "Substantially Similar Name Affidavit" on the Combination Form. [Sec. 63.001(c)].

PROVISIONAL VOTING:

Provisional voting is helpful in multiple scenarios, and provisional ballots must be offered to voters when required by the situations described below. However, a voter CANNOT be denied a provisional ballot in any circumstance.

An election judge commits an offense if the judge knowingly provides a voter with a form for an affidavit if the form contains information that the judge entered on the form knowing it was false. [Sec. 63.0111].

If a voter (a) does not possess one of the seven (7) acceptable forms of photo identification, which, for voters aged 18-69, is not expired for more than four years, or, for voters aged 70 and older, may be expired for any length of time but is otherwise valid, and the voter can reasonably obtain one of these forms of identification; or (b) possesses, but did not bring to the polling place, one of the seven forms of acceptable photo identification; or (c) does not possess one of the seven forms of acceptable photo identification, could otherwise not reasonably obtain one, but did not bring a supporting form of identification to the polling place; and the voter does not have a permanent disability exemption indicated on their voter registration certificate, the voter may cast a provisional ballot at the polls.

However, in order to have the provisional ballot counted, the voter will be required to visit the voter registrar's office within six calendar days of the date of the election to (1) present one of the seven (7) acceptable forms of photo identification; (2) present one of the supporting forms

of ID and execute a Reasonable Impediment Declaration, if the voter does not possess and cannot reasonably obtain one of the acceptable forms of photo identification; (3) if applicable, submit one of the temporary forms (e.g., religious objection or natural disaster) in the presence of the county voter registrar; OR (4) if applicable, qualify for the disability exemption to presenting an acceptable form of photo identification or following the Reasonable Impediment Declaration procedure at the polls. Specifically, forms are available for voters who have a consistent religious objection to being photographed and for voters who do not present a form of acceptable photo identification or follow the Reasonable Impediment Declaration procedure because of certain natural disasters as declared by the President of the United States or the Texas Governor within 45 days of the day the ballot was cast. In addition, voters with a disability may apply with the county voter registrar for a permanent exemption to presenting an acceptable form of photo identification or following the Reasonable Impediment Declaration procedure at the polls. The application must contain written documentation from the U.S. Social Security Administration evidencing the applicant's disability or from the U.S. Department of Veterans Affairs evidencing a disability rating of at least 50 percent. In addition, the applicant must state that he or she has no valid form of photo identification prescribed by Section 63.0101 of the Texas Election Code.

NOTE: If a voter has continued access to their acceptable form of photo ID, but, for example, forgets to bring their acceptable form of photo ID to the polling place and/or left it, for example, at home or in their car, the voter still possesses the acceptable photo ID and must use it to vote. Accordingly, if a voter possesses an acceptable form of photo ID but does not have it with them at the polling place and there is enough time left when polls are open, the voter may choose to return at a later time with an acceptable form of photo ID, or the voter may vote provisionally. A voter who does not possess an acceptable form of photo ID, and could not otherwise reasonably obtain one, but just did not bring a form of supporting ID to the polling place, may also opt to leave the polling place, and return at a later time with their acceptable form of supporting ID and vote a regular ballot after executing a Reasonable Impediment Declaration, or the voter may vote provisionally. Provisional ballots are not counted until the voter registrar and early voting ballot board verify the voter's eligibility. The affidavit that provisional voters must sign also acts as a voter registration application, ensuring that those individuals who are not registered voters will be registered for future elections for which they are eligible.

Q. When would an individual need to cast a provisional ballot?

A. The following individuals may cast a provisional ballot:

- A voter who states they do not possess an acceptable form of photo ID, and that they can reasonably obtain an acceptable form of photo ID.
- A voter who states that they do not possess an acceptable form of photo ID, and that they cannot otherwise reasonably obtain an acceptable form of photo ID, but they did not bring their form of supporting ID to the polling place.

- **NOTE:** A voter who does not possess and could otherwise not reasonably obtain an acceptable form of photo ID but just did not bring a form of supporting ID to the polling place may opt to leave the polling place and return at a later time with their acceptable form of supporting ID and vote a regular ballot after executing a Reasonable Impediment Declaration.
- A voter who states they possess an acceptable form of photo ID, but do not have it with them to present at the polling place.
 - **NOTE:** If a voter has continued access to their acceptable form of photo ID but, for example, forgets to bring their acceptable form of approved photo ID to the polling place and/or left it at home or in their car, the voter still possesses the acceptable photo ID and must use it to vote. This voter may opt to leave the polling place and return at a later time with their acceptable form of photo ID and vote a regular ballot.
- A voter who does not present an acceptable form of photo ID or follow the Reasonable Impediment Declaration procedure and has a religious objection to being photographed and the voter has consistently refused to be photographed for any governmental purpose from the time the voter has held this belief. [Sec. 65.054(b)(2)(B)].
- A voter who does not present an acceptable form of photo ID or follow the Reasonable Impediment Declaration procedure because of a natural disaster that was declared by the President of the United States or the Texas Governor, occurred not earlier than 45 days before the date the ballot was cast, and caused the destruction of or inability to access the voter's identification. [Sec. 65.054(b)(2)(C)].
- A voter whose name on the form of identification presented (either an acceptable form of photo identification or, if applicable, a supporting form of identification with a Reasonable Impediment Declaration) is determined by the election officer not to exactly match or be substantially similar to the name as it appears on the list of registered voters.
 - **NOTE:** A voter's name as listed on the identification presented (either an acceptable form of photo ID or, if applicable, a supporting form of ID with a Reasonable Impediment Declaration) for voting is considered **substantially similar** to the form of the name as listed on the list of registered voters if one or more of the following circumstances applies: 1) The name on the presented ID is slightly different from one or more of the name fields on the official list of registered voters; 2) The name on the presented ID or on the list of registered voters is a customary variation of the voter's formal name (for example, Bill for William); 3) the voter's name contains an initial, middle name, or former name that is either not on the official list of registered voters or on the presented ID; 4) a first name, middle name, former name, or initial of the voter's name occupies a different field on the presented ID than it does on the list of registered voters. In considering whether a name is substantially similar, election officials will also look at whether information on the presented ID matches elements of the voter's

information on the official list of registered voters such as the residence address or date of birth.

- A voter who presented a form of identification (either an acceptable form of photo identification or, if applicable, a supporting form of identification with a Reasonable Impediment Declaration) but whose identity cannot be verified by the identification presented, as determined by the polling place official per Section 63.001(d) of the Code.
- A voter who has received a disability exemption under Section 13.002(i) of the Code, but does not have or otherwise fails to present the voter's voter registration certificate at the polling place indicating such exemption, or a voter who is eligible for a disability exemption under Section 13.002(i) of the Code but has not yet submitted the documentation required to receive such exemption.
- A voter who claims to be properly registered and eligible to vote at the election precinct where the voter presents himself or herself to vote, but the voter's name does not appear on the precinct list of registered voters and the voter does not present a voter registration certificate indicating that the voter is currently registered as described in Section 63.006 of the Code.
 - **NOTE:** If the provisional voter indicates he or she is registered, the election officer must ask the person if they registered at DPS. If the person states they registered at DPS, the election officer must ask the person if he or she knows the approximate date that the person went to DPS. The election officer must then note that the voter went to DPS and, if the person knows, the approximate date of the DPS visit, on the Provisional Ballot Affidavit Envelope in the "Other" line.
- A voter who has applied for a ballot by mail, but does not have any of the following:
 - The mail ballot to surrender;
 - Notice of Improper Delivery; or
 - Notice of Surrendered Ballot
- A voter who votes during the polling hours that are extended by a state or federal court.
- A voter who is registered to vote but attempting to vote in a precinct other than the one in which the voter is registered.
- A voter who is on the election precinct list of registered voters, but whose registered residence address is outside the political subdivision in which the voter is presenting himself or herself to vote.
- Other: _____ (with an explanation). [See, e.g., Sec. 63.011; 1 T.A.C. §§ 81.172—81.176; Tex. Water Code § 49.1025].

Q. Who makes the determination if an individual is qualified to vote provisionally?

- A. A worker CANNOT deny a voter the right to vote a provisional ballot. However, an election judge may determine that a voter is eligible to cast a provisional ballot, and immediately inform the voter of that right.

Section 63.0111 states that an election judge commits an offense if the judge knowingly provides a voter with a form for an affidavit if the form contains information that the judge entered on the form knowing it was false.

In order to vote provisionally, the voter must complete and sign an “Affidavit of Provisional Voter,” a form which will also serve as a voter registration application in the event the voter is not registered or as an update to the voter's registration record if the information is different.

Q. Are there cases when a provisional ballot will not be counted? When is a voter notified?

- A. While a provisional voter may be allowed to vote at the polling place, there are certain circumstances in which they will immediately be informed that their ballot will not be counted. For example, the election judge will notify the voter that their ballot will not be counted if:

- The voter does not present an acceptable form of photo identification, or, if the voter does not possess and cannot reasonably obtain an acceptable form of photo identification, the voter does not execute a Reasonable Impediment Declaration and present one of the acceptable forms of supporting identification, or submit one of the temporary forms (religious objection or natural disaster exemption), or submit the paperwork required to obtain a permanent disability exemption, to the county voter registrar within 6 calendar days from election day, or
- the ballot is cast at a precinct in which the voter is not registered (regardless of whether the voter is registered in another precinct in the same political subdivision).

Q. If a voter applied for a ballot by mail, may the voter vote provisionally at the election day precinct polling place without returning the mail ballot to the election judge?

- A. Yes. A voter who appears on the list of registered voters as having applied for and/or received a ballot by mail may go to the polling place and vote. If the voter does not have the ballot to return to the judge, he will have to vote a provisional ballot. If the mail ballot does not arrive at the ballot board before the provisional ballot, the provisional ballot will be counted. If the mail ballot arrives at the ballot board before the provisional ballot, the mail ballot will be counted. [Sec. 63.011].

Q. How are provisional ballots reviewed and handled?

- A. At the polling place, the election judge provides the provisional voter written notice informing the voter that they will be notified within 10 days after the local canvass as to whether or not their ballot was counted and, if not, why it was not counted. The notice also includes instructions and additional details regarding the provisional voting process.

The voter's eligibility to vote is reviewed by the voter registrar and the early voting ballot board must complete the processing and counting, where applicable, of the provisional ballots. Notice must be delivered to provisional voters regarding whether their ballot was counted and noting a reason if their ballot was not counted.

Q. How is the secrecy of the ballot preserved?

- A. The voter places the voted provisional ballot in a plain white ballot secrecy envelope, which is placed inside the Provisional Affidavit Ballot Envelope. Provisional ballots are placed either in a designated, secure container or Ballot Box No. 4 until the voter registrar and early voting ballot board complete their review. The transfer and tabulation of these ballots are handled with the same care, secrecy, and security as other ballots and voting system equipment. Note: If the voter is casting an electronic provisional ballot, the voter completes the affidavit on the provisional envelope but does not include a ballot.

Q. What is the deadline for reviewing provisional affidavits?

- A. The early voting ballot board must complete the processing and counting, where applicable, of the provisional ballots by the ninth day after the election (13th day after election day in the general election for state and county officers). Notice must be delivered to provisional voters regarding whether their ballot was counted and noting a reason if their ballot was not counted. This notice must be delivered no later than the 10th day after the local canvass. [Sec. 65.051; 1 T.A.C. §§ 81.172-81.174, 81.176].

USING ENGLISH AND INTERPRETERS:

All election officials, while performing their duties at the polling place, must use English, except when helping a voter who does not understand English. [Sec. 61.031(a)].

Q. What is an interpreter and when is one used?

- A. 1. If a voter cannot communicate in English, an election official may communicate with the voter in a language both the election official and the voter (or the voter's interpreter) understand. [Sec. 61.031(b)].
2. The voter may also select an interpreter to communicate with the election officer(s) attending to the voter in a language that is not English, regardless of whether the election officer who attempts to communicate with the voter understands or does not understand the language used by the voter, as long as the interpreter meets the qualifications in paragraphs 3 and 4 below. [Sec. 61.032].
3. Upon taking the oath of interpreter, any person selected by the voter other than the voter's employer, an agent of the voter's employer, or an officer or agent of the voter's labor union, may act as an interpreter for one or more voters. [Secs. 61.033(1), 61.035].
4. The interpreter may be a person provided by the authority conducting the election. If the interpreter is appointed to serve as an interpreter by an election official, the person must be a registered voter of the county in which the voter needing the interpreter resides or

a registered voter of an adjacent county. However, even if an interpreter is provided, a voter may use his own interpreter. [Secs. 61.032, 61.033(2)].

5. If the voter cannot comprehend the language in which the ballot is printed, the voter may receive assistance in accordance with Subchapter B, Chapter 64. [Sec. 61.034].
6. A watcher may request and receive an English translation of a language spoken other than English between an election official and a voter. [Sec. 61.036].

CASTING THE BALLOT:

Q. If voters make a mistake marking their ballot, can they start over?

- A. Yes, but there is a limit to how many times a voter may attempt to cast a ballot. Voters who make mistakes while marking their paper or optical scan ballots may take the spoiled ballot to an election official and exchange it for a new ballot. A voter may only receive up to two replacement ballots (the original ballot, plus two replacement ballots yields a total of **three possible ballots per voter**). [Sec. 64.007(a) & (b)].

Q: If a voter is voting provisionally on paper or optical scan ballot, does he or she use the same type of ballot as a regular voter?

- A: Yes, but the election officials may have a few ballots pre-stamped “provisional” in a separate stack from regular ballots. The following steps must occur:

- (1) the voter votes the ballot;
- (2) the voter seals the ballot in the ballot secrecy envelope;
- (3) the voter seals the privacy envelope in the provisional ballot affidavit envelope; and
- (4) the voter casts the ballot in the regular ballot box or other designated secured container as directed by the election officials.

NOTE: Some electronic voting systems allow the voter to cast a provisional ballot directly on the machine.

Q. If a voter leaves a voted ballot in the voting station or elsewhere in the polling place rather than putting it in the ballot box, or if a voter voting on an electronic voting system leaves without finally casting his or her ballot, is the ballot counted?

- A. No. A ballot that has not been deposited in the ballot box used for the deposit of marked ballots may not be counted. The judge should treat it as a cancelled ballot. [Sec. 65.010(a)(4)]. On an electronic voting system, the ballot must be cancelled using the procedures for cancellation on the system particular to the entity holding the election. The ballot left uncast by a “fleeing” voter may not be counted.

RECOUNT WATCHER

Similar to a poll watcher, a recount watcher (formerly termed a representative) is a person appointed to observe the conduct of the recount on behalf of:

- a candidate,
- a political party, or
- the proponents or opponents of a measure (specific-purpose political action committee). [Sec. 213.013].

RECOUNT WATCHER QUALIFICATIONS

Unlike a poll watcher, a recount watcher is not required to meet any particular qualifications to serve. A recount watcher is NOT required to complete the training under Section 33.008. The recount watcher is not required to be a registered voter of the territory in which the election was held. The recount watcher does not have to satisfy any age or citizenship requirements. Public officials are not prohibited from serving as recount watchers; nor is the recount watcher's eligibility affected by the familial relationship of a watcher to a person serving on the recount committee. For more information on recount procedures, please see the SOS's [Recount Outline](#).

PERMITTED NUMBER OF RECOUNT WATCHERS

As the recount is conducted, each authority eligible to appoint a recount watcher is permitted to have watchers present in a number corresponding to the number of counting teams designated for the recount; however, if there is a single counting team, two recount watchers may be present. [Sec. 213.013(b)].

RECOUNT WATCHER APPOINTMENT

The watcher must deliver a certificate of appointment to the recount chair at the time the watcher reports for service. The certificate must be in writing and must contain:

- (1) the printed name and the signature of the recount watcher;
- (2) the election subject to the recount;
- (3) the time and place of the recount;
- (4) the measure, candidate, or political party being represented;
- (5) the signature and the printed name of the person making the appointment; and
- (6) an indication of the capacity in which the appointing authority is acting.

[Sec. 213.013(f)].

NOTE: No one entitled to be present at a recount may be in possession of a device capable of recording images or sound, unless the person agrees to disable or deactivate the device while present at the recount. [Sec. 213.013(i)].

The officially prescribed recount watcher appointment form may be found on our website at <https://www.sos.state.tx.us/elections/forms/pol-sub/index.shtml>

A recount watcher who submits a valid appointment form to the recount chair must be admitted to the recount unless the specific authority's maximum number of watchers have already been accepted. [Sec. 213.013(e)].

RECOUNT WATCHER'S DUTIES

Similar to a poll watcher, a recount watcher is entitled to observe any activity conducted in connection with the recount. Watchers are entitled to stand or sit conveniently near the officers engaged in the observed activity or near the officers counting or processing the ballots to verify that they are being counted correctly. Rules on the watcher's rights, duties, and privileges are otherwise the same as for a poll watcher to the extent applicable. [Sec. 213.013(h)].

Recount watchers may also be present in the same numbers prescribed under Section 213.013(b) to observe the printing of ballot images cast on direct recording electronic voting systems prior to the recount. [Sec. 213.016].

CONCLUSION

As a poll watcher or a recount watcher, you are entitled to observe the conduct of the election at the location to which you are assigned or the activities at a recount. You must keep in mind your responsibility to ensure the fair conduct of elections. Please remember, however, that the presiding officers are responsible for maintaining control and order. You should establish a cooperative relationship with these presiding officers and work with them to ensure that the voting process works smoothly. **Remember that you are not allowed to address voters directly.**

If any questions arise during your service that the presiding officer cannot answer or you question the accuracy of the information provided, you may call the Elections Division at our toll-free number, 1-800-252-VOTE(8683). The Elections Division is open Monday through Friday from 8:00 a.m. to 5:00 p.m., and during all uniform election dates from before the polls open until after they close. If you desire to learn more about the election process, please call our office to request one of our handbooks for election day officials and the early voting ballot board or our detailed recount procedures. Candidates for and officeholders in local offices that are regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2025 FILING SCHEDULE FOR LOCAL CANDIDATES AND OFFICEHOLDERS WHO FILE WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR. Candidates for and officeholders in local offices that are filled on uniform election dates in May and November should use the 2023 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH ELECTIONS HELD ON UNIFORM ELECTION DATES. Examples of these types of offices include school board positions and city offices. If you are a judicial candidate or officeholder, please see the note attached to the end of the schedule.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most reporting deadlines, a report filed on paper is considered timely filed if it is deposited with the U.S. Post Office properly addressed with postage and handling charges prepaid to P.O. Box 12070, Austin, Texas, 78711-2070, or a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to 201 E. 14th St., Sam Houston Building, 10th Floor, Austin, Texas, 78701, by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The “date of campaign treasurer appointment” is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (NOTE: If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH THE TEXAS ETHICS COMMISSION or the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for further information.

POLITICAL ADVERTISING

What You Need to Know

The Texas Election Code requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

NOTICE: This guide is intended only as a general overview of the disclosure statements that must appear on political advertising as required under [Chapter 255 of the Election Code](#), which is distinct from political reporting requirements under [Chapter 254 of the Election Code](#).

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is a Disclosure Statement Required?

The law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wis. Right to Life, Inc.*, 551 U.S. 449 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way, there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is relevant in determining whether political advertising is required to include a disclosure statement. However, the political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should the Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising or be clearly spoken if the political advertising is audio only and does not include written text.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions to the Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertising, provided that the political advertising in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute;
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)
6. postings or re-postings on an Internet website if the person posting or re-posting is not an officeholder, candidate, or political committee and did not make an expenditure exceeding \$100 in a reporting period for political advertising beyond the basic cost of hardware messaging software and bandwidth;
7. an Internet social media profile webpage of a candidate or officeholder, if the webpage clearly and conspicuously displays the full name of the candidate or officeholder; and
8. postings or re-postings on an Internet website if the advertising is posted with a link to a publicly viewable Internet webpage that either contains the disclosure statement or is an Internet social media profile webpage of a candidate or officeholder that clearly and conspicuously displays the candidate's or officeholder's full name.

V. What Should I Do If I Discover That My Political Advertising Does Not Contain a Disclosure Statement?

The law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The [Fair Campaign Practices Act](#) sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign

treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Notice to Political Subdivisions and School Districts.

You may not use public funds or resources for political advertising. Please see our “Publications and Guides” section of our website for more information.

ROAD SIGNS

I. When Is the “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should the “Right-Of-Way” Notice Say?

Section 259.001 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW (CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

III. Do Yard Signs Have to Have the “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs and How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government or your homeowner’s association. The Texas Ethics Commission does not have

jurisdiction over matters involving the location of signs, and the length of time that they may be posted.

MISREPRESENTATION

I. Are There Restrictions on the Contents of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

A non-incumbent may not be allowed to use the following verbiage:

**Elect John Doe
Attorney General**

**John Doe
Attorney General**

III. Misrepresentation of Identity or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use of State Seal.

Only current officeholders may use the state seal in political advertising.

V. Criminal Offenses.

Be aware that many violations of the Election Code are criminal offenses. For example, unlawfully using public funds for political advertising can be a Class A misdemeanor. So can misrepresenting one's identity or office title in political advertising. For more details on these offenses and political advertising in general, see [Chapter 255 of the Election Code](#).

CODE OF FAIR CAMPAIGN PRACTICES

**FORM CFCP
COVER SHEET**

Pursuant to chapter 258 of the Election Code, every candidate and political committee is encouraged to subscribe to the Code of Fair Campaign Practices. The Code may be filed with the proper filing authority upon submission of a campaign treasurer appointment form. Candidates or political committees that already have a current campaign treasurer appointment on file as of September 1, 1997, may subscribe to the code at any time.

Subscription to the Code of Fair Campaign Practices is voluntary.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.
