

**Public Meeting Notice:**

A public meeting is being held on Thursday, January 22, 2026 at 6:00 P.M. at Pharr One Community Center, 1121 E. Nolana Loop, Pharr, Texas 78577 to discuss the City of Pharr proposed Lift Station No. 23 Wastewater Project proposed project which includes:

- Decommissioning of existing Lift Station No. 23
- Construction of a New 1.12 MGD Lift Station
- Installation of new 24-inch sewer line
- Replacing/Rehabilitation of existing 6-inch force main with new 8 inch force main

In the City of Pharr, Texas. One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it. The total estimated cost of the project is estimated at \$4.1 million dollars. A user rate increase will not be required to finance this project. No additional fees such as a connection fee/tax/surcharge/other fee will be required. An application for financial assistance for the project has been filed with the United States Environmental Protection Agency. An Environmental Information Document for the project has been prepared which will be available for public review at City Hall at 118 S. Cage Blvd., Pharr, Texas, between the hours of 8-5pm for 30 days following the date of this notice. Written comments on the proposed project may be sent to Dr. Jonathan B. Flores, City Manager, City of Pharr, 118 S. Cage Blvd., Pharr, Texas, 78577, Attention: Pharr Lift Station No. 23 – Pharr, Texas, or to Jessica Rosado Sepulveda, US Environmental Protection Agency, Region 6, 1201 Elm Street, MC-WDAC, Dallas, Texas, 75270, Attention: Pharr Lift Station No. 23 – Pharr, Texas. This project will not be constructed in a 500 or 100-Yr Floodplain.
