

Departamento de Bomberos – Solicitudes en Línea

- Cree una cuenta en el sitio web BuildingPharr.com. Si ya existe una cuenta, por favor continúe con el siguiente paso.

- Una vez completado, haga clic en la pestaña “Fire Permits” y cree una solicitud seleccionando el tipo de permiso.

PARA INSTALACIÓN O RENOVACIÓN DE ALARMAS CONTRA INCENDIOS:

- Complete cada paso con la información correspondiente.

Paso 1- Complete la información de contacto.

Paso 2-

- Ingrese toda la información requerida de la empresa.

- Requerimos al menos (2) contactos de emergencia de la empresa.
- Para instalaciones, por favor suba sus planos de alarma contra incendios. **Solo se permite un plano por solicitud; cree una nueva solicitud si va a presentar para otras ubicaciones.**

Paso 3- Revise la información.

Paso 4- Haga clic en "Enviar" para completar su solicitud. Nuestro personal revisará su envío y le proporcionará la tarifa correspondiente.

- Vuelva a ingresar a su cuenta para pagar su tarifa. Su permiso estará disponible en el portal dentro de 1 a 2 días hábiles.

The screenshot displays a web interface for managing fire alarm applications. At the top, there are two buttons: "Create an Application" and "Search Applications". A red box highlights the "Search Applications" button, with a red arrow pointing to it from the right. Below this is a "Records" section showing a table of applications. The table has columns for Date, Record Number, Record Type, Description, Project Name, Expiration Date, Status, and Action. One record is visible with Record Number "FAAP-2026-00003", Record Type "Fire Alarm Application", Project Name "TEST", and Status "Transferred to ESO". A red box highlights the "Action" column for this record, with a red arrow pointing to it from the right. Below the table is a navigation menu with "Home", "Building", "Development Services", "Environmental Health", and "Fire Permits". The "Fire Permits" section is active. Below the navigation is a "Create an Application" button. The main content area shows details for "Record FAAP-2026-00003: Fire Alarm Application" with a status of "Transferred to ESO". A dropdown menu is open for "Record Info", with "Attachments" highlighted by a red circle. Below the dropdown is a table of attachments. The first attachment is "Plans.pdf" (18.47 MB), with "Plans.pdf" and "Permit" highlighted by red circles. At the bottom left, there is an "Add" button.

PARA PLANES DE ROCIADORES Y SUPRESIÓN:

➤ Complete cada paso con la información correspondiente.

The screenshot shows a navigation bar with two buttons: "Create an Application" and "Search Applications". Below this is a progress indicator with five steps: "1 Step 1", "2 Step 2", "3 Review", "4 Pay Fees", and "5 Record Issuance". The "1 Step 1" button is highlighted with a blue underline.

Paso 1- Complete la información de contacto.

Paso 2-

- Ingrese toda la información requerida de la empresa.
- Por favor, suba sus planos. **Solo se permite un plano por solicitud; cree una nueva solicitud si va a presentar para otras ubicaciones.**

Paso 3- Revise la información.

Paso 4- Haga clic en "Enviar" para completar su solicitud. Nuestros Marshals de Bomberos revisarán su envío y le proporcionarán un informe con la aprobación o denegación.

➤ Vuelva a ingresar a su cuenta para ver su informe.

The screenshot shows the "Fire Permits" section of a website. The navigation menu includes "Home", "Building", "Development Services", "Environmental Health", "Licenses", and "Fire Permits". The "Fire Permits" link is highlighted with a red box and a red arrow. Below the navigation bar, there are two buttons: "Create an Application" and "Search Applications". The "Search Applications" button is highlighted with a red box and a red arrow. The main content area shows a record titled "Record FIR-2026-0000 : Fire Sprinkler System" with a status of "Transferred to ESO". There are three tabs: "Record Info", "Payments", and "Custom Component". The "Record Info" tab is selected, and a dropdown menu is open, showing options like "Record Details", "Processing Status", "Related Records", "Attachments", "Inspections", and "Valuation Calculator". The "Attachments" option is highlighted with a red box and a red arrow. Below the dropdown, there is a table with columns: "Record Type", "Entity Type", "Type", "Size", "Latest Update", and "Action". The table contains one row with the following data: "Fire Sprinkler System", "Record", "Document", "493.79 KB", and "Acti". There is also a blue "Add" button at the bottom left.

Tenga en cuenta que **no hay tarifas** por la presentación de planes de rociadores o de supresión.
