INDEPENDENT AUDITORS' REPORT

To the Board of Directors
City of Pharr Tax Increment Reinvestment Zone No. 1

Report on the Financial Statements

Opinion

We have audited the financial statements of the governmental activities and the major fund of the City of Pharr Tax Increment Reinvestment Zone No. 1 (TIRZ #1), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the TIRZ #1's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, and the major fund of the TIRZ #1, as of September 30, 2025, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the TIRZ #1 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The TIRZ #1's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the TIRZ #1's ability to continue as a going concern for twelve months beyond the financial statement due date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the TIRZ #1's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the TIRZ #1's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and the budgetary comparison, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 20, 2026, on our consideration of the TIRZ #1's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering TIRZ #1's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

THIS PAGE LEFT BLANK INTENTIONALLY

Tax Increment Reinvestment Zone #1 Management's Discussion & Analysis

As management of the Tax Increment Reinvestment Zone #1 (TIRZ #1), we offer readers of TIRZ #1's financial statements this narrative overview and analysis of the financial activities of TIRZ #1 for the fiscal year ended September 30, 2025.

FINANCIAL HIGHLIGHTS

- Total net position for TIRZ #1 shows a positive balance of \$5,021,403. This is an increase of \$886.6 thousand from last year's net position.

OVERVIEW OF THE FINANCIAL STATEMENTS

The discussion and analysis are meant to serve as an introduction to the TIRZ 1's basic financial statements. The TIRZ #1's basic financial statements comprise of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of TIRZ #1, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all the TIRZ #1's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the TIRZ #1 is improving or deteriorating.

The Statement of Activities presents information showing how TIRZ #1's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. TIRZ #1, like other governmental entities, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of resources that can be spent, as well as on balances of resources that can be spent available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements.

Tax Increment Reinvestment Zone #1
Management's Discussion & Analysis

By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds Balance Sheet and the governmental funds Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

TIRZ #1 falls under the City's budget process; therefore, when the City's budget is approved, TIRZ #1's budget is also approved. A budgetary comparison statement has been provided in the supplementary section of this report to demonstrate compliance with this budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Government-Wide Financial Analysis

TIRZ #1's condensed Statement of Net Position along with the prior fiscal year's amounts is presented for comparison in the table below:

TIRZ #1 Net Position

NOTES TO THE FINANCIAL STATEMENTS

THIS PAGE LEFT BLANK INTENTIONALLY

Tax Increment Reinvestment Zone #1
A Component Unit of the City of Pharr, Texas
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General Statement

Tax Increment Reinvestment Zone #1 (TIRZ #1) – City commissioners expressed the City’s intent to create a TIRZ to support revitalization activities for the Pharr redevelopment project. On September 8, 2021, the City Commission of Pharr passed and approved the creation of TIRZ #1. The zone is projected to terminate on January 1, 2051.

Hidalgo County agreed to participate in the TIRZ by contributing 40% of the revenues generated from the County M&O as assessed and collected on the tax increment for the respective tax year.

B. Reporting Entity

GASB Statement No. 14, “The Financial Reporting Entity,” as amended by GASB Statement No. 39 and GASB Statement No. 61, “Determining Whether Certain Organizations Are Component Units,” provide guidance for determining whether the entity should be reported as blended or discretely presented. GASB Statement No. 14 sets forth financial accountability as the basic criterion for inclusion of a governmental unit in a governmental reporting entity.

The TIRZ #1 is considered a blended component unit because of its relationship with the City. The City contributes 60% of its revenues, and any changes to the entity must be approved by the City Commission. All documentation is prepared by City staff and approved by the City Manager.

Financial statements for TIRZ #1 issued by the City can be obtained by request at the following address:

Tax Increment Reinvestment Zone #1
Attn: Finance Director
118 S. Cage Blvd., 2nd Floor
Pharr, TX 78577

C. Government-Wide and Fund Financial Statements

The government-wide financial statements include a statement of net position and a statement of activities. These statements report information on all non-fiduciary financial information for TIRZ #1.

The statement of activities demonstrates the degree to which the direct expenses of a given program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or program. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given program and 2) operating or capital grants and contributions that are restricted to meeting the operations or capital requirements of a program. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Tax Increment Reinvestment Zone #1
A Component Unit of the City of Pharr, Texas
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of TIRZ #1 are prepared in accordance with generally accepted accounting principles (GAAP). Governmental fund financial statements are reported using the current financial resources measurement focus and are accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual, i.e., when they become both measurable and available. "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. For this purpose, TIRZ #1 considers revenues to be available if they are collected within 60 days of the end of the current fiscal year. All other governmental fund revenues are recognized when received.

E. Fund Types and Major Funds

Governmental Funds

TIRZ #1 reports the following governmental funds:

- General Fund: TIRZ #1's only fund and is used to account for all TIRZ #1 financial activities.

F. Assets, Liabilities, and Net Position or Equity

1. Cash and Investments

All cash is deposited into Lone Star National Bank. As of September 30, 2025, TIRZ #1 does not hold any cash investments other than interest earned from the bank account.

2. Receivables and Payables

At the end of September 2025, TIRZ #1 has a receivable of \$1,951,699 from Hidalgo County.

3. Net Position

In the fund financial statements, governmental funds report fund balance classifications of fund balance for amounts that are not available or are legally restricted by outside parties for use for a specific purpose.

Tax Increment Reinvestment Zone #1
A Component Unit of the City of Pharr, Texas
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Assets, Liabilities, and Net Position or Equity (Continued)

4. Fund Balance

TIRZ #1 follows GASB Statement No. 54 "Fund Balance Reporting and Governmental Type Definitions," which provides a more structured classification of fund balance and improves the usefulness of fund balance reporting to the users of TIRZ #1 financial statements. The reporting standard establishes a hierarchy for fund balance classifications and the constraints imposed on the uses of those resources. GASB No. 54 provides for two major types of fund balances which are nonspendable and spendable.

Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or they are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, non-current advances to other funds that are not expected to be collected in the next fiscal year, and the principal (corpus) of an endowment fund. TIRZ #1 does not have any nonspendable funds.

In addition to nonspendable fund balance, GASB No. 54 has provided a hierarchy of spendable fund balances, based on a hierarchy of spending constraints.

-Restricted: Fund balances that are constrained by external parties, constitutional provisions, or enabling legislation.

-Committed: Fund balances that contain self-imposed constraints of the government from its highest level of decision-making authority. The responsibility to commit funds rests with the TIRZ #1 governing members, their board members. Committed amounts cannot be used for any other purpose unless the governing board removes those constraints by taking the same type of formal action. TIRZ #1 does not have any committed funds.

-Assigned: Fund balances that contain self-imposed constraints of the government to be used for a particular purpose. No assigned fund balances at the end of September 2025.

-Unassigned: Fund balance of the general fund that is not constrained for any particular purpose. This is also where negative amounts from the other categories of fund balance are recognized.

Tax Increment Reinvestment Zone #1
A Component Unit of the City of Pharr, Texas
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

II. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Budgetary Data

1. Budget Policy and Practice

TIRZ #1 follows the procedures outlined below in establishing budgetary data reflected in the financial statements:

Annual budgets are legally adopted for TIRZ #1 fund with revenue and expense/expenditure activity. The TIRZ #1 fund follows the City Charter, which requires that between sixty (60) and ninety (90) days prior to the end of the fiscal year, the City Manager is required to submit to the Board of Commissioners a proposed operating budget for the fiscal year commencing the following October 1.

The appropriate budget is prepared by fund, function, and department. Transfers of appropriations between funds require the approval of the Board of Commissioners. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level.

At any time during the fiscal year, the City Manager can reallocate expenditures within a fund without the approval of the Board of Commissioners. However, any revisions to the budget which increase the total budgeted expenditures/expenses within any fund must be approved by the Board of Commissioners of the City.

B. Budget Basis of Accounting

TIRZ #1 prepares its annual budget on a basis (budget basis), which slightly differs from generally accepted accounting principles (GAAP Basis). The budget is based on certified report numbers from Hidalgo County; from there the County allocates 40% for the M&O collected in the TIRZ zone, and the City contributes 60% of the M&O taxes collected.

Tax Increment Reinvestment Zone #1
A Component Unit of the City of Pharr, Texas
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025

III. DETAILED NOTES ON FUNDS AND COMPONENT UNITS

A. Deposits

TIRZ #1 funds are required to be deposited and invested under the terms of a depository contract and investment policy pursuant to state statute. The depository bank deposits for safekeeping and trust with its agent approved pledged securities authorized by Chapter 2257 Collateral for Public Funds of the Government Code in an amount sufficient to protect TIRZ #1's funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the dollar amount of Federal Deposit Insurance Corporation (FDIC) insurance.

On September 30, 2025, the carrying amount of all TIRZ #1's deposits were \$5,068,403. The TIRZ #1 has one (1) depository account: Lone Star National Bank (LSNB). The TIRZ #1's cash deposits at September 30, 2025, and during the period ended September 30, 2025, were entirely covered by FDIC insurance or by pledged collateral held by the TIRZ #1's agent bank in the TIRZ #1's name.

B. Receivables

At the end of September 2025, TIRZ #1 shows a receivable from Hidalgo County for their agreed property tax contribution. The total amount was \$1,951,699.

Property Tax Receivable with 8% uncollectable	
Property Tax	\$ 2,107,835
Allowance for uncollectable	<u>(156,136)</u>
	<u>\$ 1,951,699</u>

C. Payables

Audit fees from FY 2025 were paid by the City. TIRZ #1 will reimburse the City for the expenditure.

D. GASB Statement No. 96-SBITA

The TIRZ #1 implemented GASB 96 for reporting subscription-based information technology arrangements (SBITAs) during this reporting period. A SBITA is defined as a contract that conveys control over another entity's IT software as specified in the contract for a period of time in an exchange or exchange-like transaction. To be accounted for as a SBITA, it must meet the definition of a "long-term" SBITA provided in GASB 96. The right-to-use SBITA liability is reported in the government-wide statements. The SBITA liability is calculated as the present value of the reasonably certain expected payments made over the term of the contract and the interest included in the SBITA payments is recorded as an expense. There were no SBITAs material to the financial statements that were recorded during the year audited.

E. Subsequent Events

The TIRZ #1 has evaluated subsequent events through March 20, 2026, the date on which the financial statements were available to be issued.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors

City of Pharr Tax Increment Reinvestment Zone No. 1

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of City of Pharr Tax Increment Reinvestment Zone No. 1 (TIRZ #1), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the TIRZ #1's basic financial statements, and have issued our report thereon dated March 20, 2026.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the TIRZ #1's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the TIRZ #1's internal control. Accordingly, we do not express an opinion on the effectiveness of the TIRZ #1's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the TIRZ #1's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
FOR THE YEAR ENDED SEPTEMBER 30, 2025

Reference Number: 2024-001

Title: TIRZ #1 – Prolonged Period of Inactivity

Prior Year Finding:

During the prior audit, it was noted that TIRZ #1 had experienced a prolonged period of inactivity with no significant infrastructure improvements or economic development initiatives identified within the zone.

Current Status:

During the current audit period, management has reviewed the status of the TIRZ #1 and begun evaluating potential development opportunities and activities within the designated area. Based on procedures performed, the prior-year finding related to inactivity within TIRZ #1 is considered resolved.
