

Fire Department – Online Applications

- Create an account on the BuildingPharr.com website. **You will receive a verification email to activate your account.**

- Log in to your account and click on the “Fire Permits” tab and create an application by selecting the permit type.

FOR FIRE ALARM INSTALLATION OR RENEWALS:

- Complete each step with the appropriate information.

Step 1- Fill out Contact Information

Step 2-

- Enter all required business information.
- We require at least (2) emergency contacts from the business.

- For installations ONLY, please upload your fire alarm plans. **Only one plan per application, please create a new application if submitting for other locations.**

Step 3- Review the information.

Step 4- Click submit to complete your application. Our personnel will review your submission. An email will be sent when your fee is ready to be paid.

- Revisit your account to pay your fee.
